- (i) make alterations or changes to any of the published details of the opportunities on offer; or
- (ii) add to or withdraw any of the opportunities on offer.

Our students are given every assurance that changes to opportunities will only be made under compelling circumstances and students will be fully informed as soon as possible.

FEES

Fees are determined by Council from time to time and are subject to revision without notice.

1. TERMS OF PAYMENT

A registered student (or legal guardian) is personally liable for all tuition and accommodation fees, notwithstanding any pledges of support or bursary that they may have received.

It should be noted that the contract which forms part of the application form for admission to the University of Cape Town and which to that end was signed by the student and/or their legal guardian, legally binds those parties to pay the full tuition and accommodation fees for a particular year of registration as determined by the University. This liability is not affected nor reduced through ignorance on the part of the student/guardian regarding the rules and regulations of the University of Cape Town or of the validity of his/her registration in terms of the said rules and regulations.

Since a student's fee account is based on his/her academic record and accommodation choices, it is their responsibility to verify the correctness of this information.

1.1 Tuition Fees

Students will be charged for all academic courses for which they register.

Initial payment is due on or before 6 February 2015

We do not issue detailed statements of account prior to the initial payment date. It is therefore the responsibility of the student to pay the initial payment as set out below by the due date.

1.1.1 Each student must make an initial payment of academic fees, as follows, by 6 February 2015, subject to a one-off late payment fee of 10%. This includes students who intend registering after the payment date, for example postgraduate students.

For the initial payment of residence fees, refer to 13.1, page 117.

Balance of all fees is due by 30 June 2015.

- 1.1.2** The University of Cape Town does not accept responsibility for incorrect addresses or postal service deficiencies resulting in statements of account not being received. It is the responsibility of the student to make enquiries should he/she not receive a statement of account. The fact that no statement of account has been received will not be accepted as a reason for failure to pay the university fees by due date
- 1.1.3** Where a student has applied to the bank for a student loan, the initial payment deadline will be extended until 31 March 2015, provided that the Fees Office receives a confirmation letter from the bank. No further extensions will be granted.
- 1.1.4 Bursaries and Sponsorship**
Any student who has been made a firm offer of an external bursary or scholarship must provide the Fees Office with written evidence from his/her sponsors and may deduct one half of the annual award from the initial payment of fees due. Awards which have not been confirmed by the due date for payment of fees may not be used to reduce the initial payment due. Such awards when confirmed will be credited towards fees due by 30 June 2015. Students who gamble on receiving an unconfirmed bursary, which subsequently does not materialize, will not have an adjustment made to the 10% penalty fee raised on short payment of the initial fees or to interest charged.
- 1.1.5 Final payment must be made by 30 June 2015**
Payment of the balance of fees is due on 30 June 2015. We send out detailed statements of account every month from March onwards.
- 1.1.6** Interest is charged on overdue accounts at 1% per month.
- 1.1.7** Where a student registers for the first time in the second semester of an academic year, the full fees (including residence, if applicable) are payable on registration or **prior to registration** for International Students including those from SADC countries.
- 1.1.8** Where a student adds one or more courses at the start of the second semester of an academic year, the fees in respect thereof are due immediately and payable within 30 days of registration. Interest is charged on overdue accounts at 1% per month.
- 1.1.9** For fee purposes the same rules and conditions apply to a student who is provisionally registered at the University of Cape Town as for a registered student.
- 1.1.10** All fees due to the University are a first charge on any scholarship, bursary or loan granted by the University or paid to the University from other sources for the benefit of the student. If the total of bursaries/scholarships exceeds fees due, the balance may be drawn by the student in two equal instalments after 14 March and 31 July, if the University has received payment of the bursary and the refund is agreed to by the sponsor.
- 1.1.11** A student to whom an advance is to be made, or to whom residual funds are to be disbursed, is required to capture his/her banking details on the PeopleSoft Student System via the Student Portal URL: <http://studentsonline.uct.ac.za>.

Payments are only made by electronic funds transfer and cannot be processed unless bank details have been entered. Students need to keep these current to avoid delays and payments being processed to incorrect bank accounts.
- 1.1.12** A student who has a credit balance on his/her fee account as a result of an external

1.4 Payments Received

All payments received will be applied in the first instance to any amount outstanding from the previous financial year. Thereafter payments made will be applied against current year debt in the following order:

Tuition charges,
Residence and meal charges,
External Bursars Allowances,
Finance administration and miscellaneous charges.

1.5 Outstanding Fees

Students with outstanding balances on their fees account:

- (a) will not be permitted to graduate;
- (b) will not receive their examination results;
- (c) will not receive an academic transcript;
- (d) will not be permitted to re-register in the following year;
- (e) will not be permitted to register for Summer Term programmes which start in the next academic year;
- (f) will have any offer of a place in residence cancelled on Wednesday 21 January 2015 if outstanding fees are not paid by Wednesday 14 January 2015;
- (g) will not have any subsequent application processed until debt has been settled in full.

1.5.1 Students who have outstanding fees, fines, interest or dues will not be awarded degrees or diplomas in:

- (i) June, if any amount is unpaid by 30 April 2015
- (ii) December, if any amount is unpaid by 31 October 2015

1.5.2 We charge interest monthly on outstanding balances at 1%. Where the final fee payment date is 30 June, interest is charged on outstanding balances at 1% per month from 31 July and at the end of each succeeding month.

1.5.3 A student whose fees are not paid by the due date, and who has not produced evidence of receipt of a bursary/scholarship/loan, may be excluded from attendance at classes or from a residence or a student housing unit.

6 TERMS OF PAYMENT

- 1.5.4** Where a student has prior year outstanding fees, payments received will be allocated to clear unpaid interest first, followed by the oldest debt.
- 1.5.5** A student must check his/her fee account on a regular basis. This is especially important prior to the year-end. Various charges may be debited to fee accounts if the student has not settled these in cash, and these include library fines, traffic fines, student health charges and residence damage costs. Such charges will often appear on fee accounts late in the year. Students can access their fee account from the UCT website via the Student Portal URL: <http://studentsonline.uct.ac.za>.

2. ACADEMIC FEES

All students from outside South Africa, including students from SADC countries, should also refer to fees for international students in Section 5 of this handbook, pages 18 - 25.

The University of Cape Town operates on a course-based fee structure inclusive of all “add-ons”. Thus, the dictum that ‘the price you see is the price you pay’ applies to all academic offerings across the University.

Please note that residence, catering and miscellaneous fees such as subscriptions to clubs and societies are itemised and charged separately on the student fee account.

The University’s all inclusive course-based fee structures published in Section 12 of this booklet, together with the relevant Faculty handbook, will enable students to accurately calculate the cost of their academic studies at UCT in 2015.

The Faculty handbook will indicate the courses that can be taken in pursuing a qualification and the relevant course code. Use this code to look up the all-inclusive cost of the course in this booklet. The sum of these costs will give you the total cost for the set of chosen courses as there are no levies or additional academic charges.

Faculty handbooks containing the curriculum for each qualification can be obtained from the relevant faculty office and this information is also available on the UCT web site: <https://www.uct.ac.za/apply/handbooks>.

Since a student’s fees account is based on his/her academic load, it is the student’s responsibility to verify the correctness of his/her enrolment for courses in the current year.

In order to assist first time applicants, the table below lists fees for typical first-year undergraduate degrees for South African applicants. It will give you an idea of what the fees are likely to be. They may vary a bit depending on actual choice of courses

2.1 Typical 1st Year Tuition Fees

2.2 Notice to Leave: Withdrawal of Registration

A registered student (or legal guardian) is personally liable for all tuition fees notwithstanding any pledges of support or bursary that they may have received.

Students or their legal guardians must give notice of intention to discontinue studies in writing by completing the Cancellation of Registration Form and submitting this together with their student card to their Faculty Office in person **or by registered mail**.

A R500 Administration Fee will be charged on all cancellations / withdrawals.
International students, including those from SADC countries, refer to Section 5.9

A reduction on the academic fees may be considered in special circumstances, depending on **when the notice of intention to discontinue studies is received by the Faculty Office**. If notice is received before:

- (a) **Whole Year Courses starting in February:**
 - 20 February 2015..... 100% adjustment
 - 24 July 2015..... 50% adjustment
- (b) **First Semester Courses starting in February:**
 - 20 February 2015.....100% adjustment
 - 6 March 2015.....50% adjustment
- (c) **Second Semester Courses starting in July:**
 - 24 July 2015100% adjustment
 - 7 August 201550% adjustment

No reduction will be granted if the notice of intention to discontinue studies is received after the above deadlines.

Note: These dates will be strictly adhered to. *Any fees owing are due immediately on cancellation of studies.*

2.2.1. GSB students

Rebates for tuition fees (acceptance and administration fees are not rebated) may be granted depending on when the written notice of intention to discontinue studies is received by the GSB Faculty Office.

The unique nature of GSB programmes precludes the organisation from replacing students once a programme has commenced. Consequently, and with due consideration of Section 17(2) of the Consumer Protection Act, the following reduction in the academic fees *may* be considered in special circumstances, depending on when the notice of intention to discontinue studies is received by the Faculty Office:

Programme / Qualification	Last date to add a course	Last date to drop a qualification		
		Get 75% fee adjustment	Get 50% fee adjustment	Cancel transcript entry
GSB Full Time Qualifications	Friday of the first week of starting.	Friday of the first week of starting.	Friday of week three of starting.	Monday after which two thirds of the course has been presented/run.
GSB Modular Qualifications	Friday of the first week of starting.	Friday of the first week of starting.	Friday of week three of starting.	Monday after which two thirds of the course has been presented/run.

Programmes commence on the day a student is required to be at orientation.

No reduction will be granted if the notice to withdraw is received after the above deadlines.

No withdrawal is possible after the ‘cancel transcript’ entry date.

Note: These dates will be strictly adhered to. *Any fees owing are due immediately on cancellation of studies.*

2.3 Drop an Individual Course

When students withdraw from individual courses of a minimum duration of one semester, any fee reduction is dependent upon the date of withdrawal. If the course duration is less than one semester, or if the student is registered for the School for Legal Practice course, there is no fee reduction if a student withdraws from the course after it begins.

Course	Last date to add a course	Last date to drop a course		
		Get 100% fee adjustment	Get 50% fee adjustment	Cancel transcript entry
Whole year courses	20 February	20 February	24 July	31 July
First term courses	20 February	20 February	6 March	27 March
Second term courses	24 July	24 July	7 August	28 August
Other courses:	Friday of the first week of the course. (Day 5)	Friday of the first week of the course. (Day 5)	Friday of week three of the course. (Day 15)	Monday after which two thirds of the course has

10 ACADEMIC FEES

				been presented/run.
Block Release		Friday of the week the course begins. (Day 5)	Not applicable	Monday after which two thirds of the course has been presented/run.
Summer Term		Friday of the week the course begins. (Day 5)	Not applicable	Monday after which two thirds of the course has been presented/run.
Winter Term		Friday of the week the course begins. (Day 5)	Not applicable	Monday after which two thirds of the course has been presented/run.

No reduction will be granted if the notice to withdraw is received after the above deadlines.

After the last date to withdraw from a course but before the tenth last teaching day of a semester or year course, a student may notify the faculty office that he or she does not intend to complete the course. In this case the course remains on the record with a result of INC. During the last ten days of a semester or year course such notifications will no longer be accepted and a result of DPR or AB will be awarded by the department.

No withdrawal is possible after the ‘cancel transcript’ entry date.

2.4 Add an Individual Course

The following minimum penalties may be charged per course which is added:

After the first Friday of the commencement of the course: Semester Course.....R 1 500
 Year Course.....R 3 000
 After the course examination has been written: Semester Course.....R 2 000
 Year Course.....R 4 000

2.5 Sibling Rebate Bursary Undergraduate Full-time Students with South African Citizenship or Permanent Residence

An undergraduate full-time student –

- who is a South African citizen or has South African permanent residence;
- who has siblings at UCT also studying towards a full-time undergraduate degree;
- whose total family income is below R660,000;
- where the student or siblings are not in receipt of financial assistance, sponsorship or the UCT Staff Tuition rate;

will, on successful application to the Manger, Student Financial Aid Office, receive a bursary equivalent to 20% of their siblings tuition fees.

This concession does not apply to the tuition fees of the first child and funding received will be limited to the costs of all courses registered for at the start of the academic year. Funding will be adjusted should a sibling cancel a course/s or receive alternate funding.

Families with more than 2 siblings in full-time undergraduate study at UCT and whose income exceeds the stated cut-off may apply for special consideration.

This funding is not automatically renewed and must be applied for every year.

Note that all charges debited to student fee accounts are subject to interest on late payment.

4. INFORMATION FOR SPONSORS

The following information is supplied to help a sponsor to interpret the fee accounts sent during the year. Additionally it is supplied to assist sponsors in their calculation of funds needed by their students for costs which do not appear on fee accounts e.g. food and lodging outside University residence, education material required and sundry expenses. Please return to the Fees Office any fee statements which are not for your account or which have been addressed to you in error.

4.1 The balance of any scholarship or award, after settlement of fees, will be refunded to the student on receipt of your payment. Sponsors must inform UCT in writing if surplus funding is not to be paid out to a student. In most cases, students use funding from additional sources to help them meet expenses incurred in connection with their studies (for example, accommodation and subsistence, books and stationery, transport). Please therefore, ignore credits of this nature when calculating the amount due by you.

4.2 The estimated minimum amount required for board and lodging by students not accommodated in residence is **R 64 300** per year or **R 72 300 for Medical Students** who have a longer academic year. We suggest that sponsors require from their students verifiable board and lodging expense accounts if the students reside outside official University accommodation.

4.3 Students accommodated in a catering residence who have **not** chosen the full meal option will require the following additional funds to cover meals taken elsewhere:

4.3.1	additional approximate amount required by students who have chosen meal option (2), per year	R 4 300

4.3.3	additional approximate amount required by students who have chosen meal option (4), per year	R 4 000

4.4 Students accommodated in self-catering residences will require an approximate amount of **R17 300** per year (**R1 730** per month) to cover the cost of meals.

4.5 We estimate that the following ancillary expenses could be incurred by each student in 2015:

Books and Stationery	R 6 000
Educational Equipment	R 3 000
Living expenses, local transport, pocket money and sundries	R 7 500

11. UCT ACADEMIC FEES

All students from outside South Africa, including students from SADC countries, should also refer to fees for international students in Section 5 of this handbook, pages 18 - 25.

The University of Cape Town operates on a course-based fee structure inclusive of all “add-ons”. Thus, the dictum that ‘the price you see is the price you pay’ applies to all academic offerings across the University.

The University’s course-based fee structures, together with the relevant Faculty handbook, will enable students to accurately calculate the cost of their academic studies at UCT in 2015.

Since a student’s fees account is based on his/her academic record, it is the student’s responsibility to verify the correctness of his/her academic record.

In order to assist students and fee payers’ budget for their academic studies at UCT for 2015 we have set-out below the cost of fees for a typical qualification by faculty and year of study.

Note: The following typical fees for South African students are only guidelines and will vary with the students’ actual choice of courses.

11.1 Typical 1st Year Tuition Fees

International students must add the relevant Administrative Service Fee / International Term fee to the cost of the typical fee.

12. UCT ACADEMIC COURSES

All students from outside South Africa, including students from SADC countries, should also refer to fees for international students in Section 5 of this handbook, pages 18 - 25.

The University of Cape Town operates on a course-based fee structure inclusive of all “add-ons”. Thus, the dictum that ‘the price you see is the price you pay’ applies to all academic offerings across the University.

Please note that residence, catering and miscellaneous fees such as subscriptions to clubs and societies are itemised and charged separately on the student fee account.

The University’s course-based fee structures, together with the relevant Faculty handbook, will enable students to calculate the cost of their academic studies at UCT in 2015 accurately.

The Faculty handbook will indicate the courses that can be taken in pursuing a qualification and the relevant course code. Use this code to look up **the all inclusive cost of the course** in this booklet. The sum of these costs will give you the **total cost** for the set of chosen courses. **There are no levies.**

Since a student’s fees account is based on his/her academic load, it is the student’s responsibility to verify the correctness of his/her enrolment for courses in the current year.

Faculty handbooks can be obtained from the relevant faculty office and this information is also available on the UCT web site: <http://www.uct.ac.za/apply/handbooks>.

Courses added after the publication of this handbook will be listed on the Fees website at <http://www.uct.ac.za/apply/fees>
