

Navigating the New Virtual World of CONFERCING & EVENTS

The world has changed and virtual connections have become the new normal. There are virtual, face-to-face and hybrid conferences, meetings, launches, graduations and open days. The options can be daunting to navigate alone.

Let CMC show you how to host
A WORLD-CLASS EVENT

Who are CMC? We are the University of Cape Town's Conference Management Centre (CMC) – A Professional Conference Organiser (PCO) and part of Commercial Development within UCT's Finance Department.

UCT's CMC will take care of all your logistics and administrative functions:

- Full project management
- Venue sourcing & selection
- VIP speaker management
- Sponsorship, trade & exhibitions
- User friendly technology
- Financial management
- Marketing management
- Website & social media
- Bids & tender submissions
- Certifications & networking

Our expert team of event planners, managers and organisers use the latest technology combined with more than 40 years of experience to bring you seamless events from start to finish.

Contact the CMC team to discuss your requirements, book an online meeting, or request a quote.
