

## UCT COUNCIL ELECTIONS 2024 – CONVOCAATION NOMINEE

### ANDREW MATSEKE

#### CONVOCAATION NOMINATORS

- Mr Jabulani Ndlovu
- Adv Rod Solomons
- Prof Nombulelo Magula
- Mr Hlubi Mzamo
- Mrs Dumile Cele (nee Zungu)
- Mr Nkosinathi Mbatha

#### STATEMENT OF INTENT

Since graduating from UCT, I have gained experience of over thirty years working as an engineer and executive, building infrastructure and growing businesses in South Africa and elsewhere on the African continent. This experience includes managing an SMME, a subsidiary of a JSE listed company and a state-owned enterprise. I have acquired the experience of dealing with various stakeholders locally and internationally.

I also have experience in governance, gained from managing various types of companies. This was complemented by formal training by the IoDSA. I have also had formal training in the King VI Codes of Corporate Governance and experience in their implementation.

I have a strong passion for excellence that is based on collaboration, inclusivity, and social justice. I have a calm demeanour and ability to sift through the maze to find solutions to complex problems. I will bring these life and business experiences as valuable assets into the UCT Council if elected to serve.

UCT has in the past few years gone through turbulence and, in my view, requires mature leadership that can resolve problems through interactions with multiple stakeholders and sound decision-making. I believe that I have the qualities required to achieve this.

# BRIEF CURRICULUM VITAE
