APPLICANTS

1. Undergraduate Applicants and Admissions (headcount) by Population groups

- These include all undergraduate applicants who were admitted and registered. If they subsequently cancel or withdraw they do not appear in the HEMIS enrolment figures.
- The large proportion of 'Unknown' population group amongst applicants masks the actual population groups of applicants.

ENROLMENTS

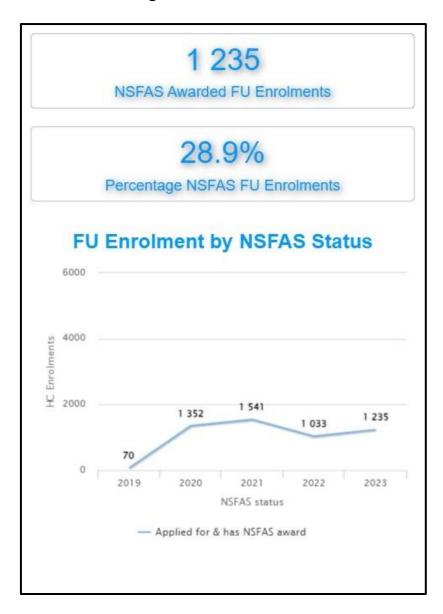

- 3. Enrolments by South African Population groups
- 45% of headcount enrolments in 2023 were Black South African (African, Coloured and Indian).

4. Enrolments by Financial Aid students

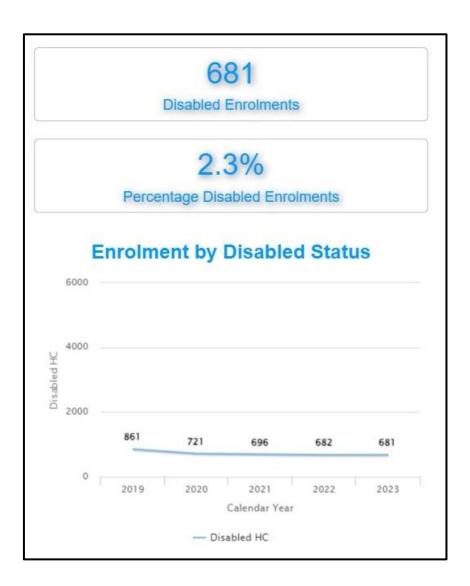

The National Student Financial Aid Scheme (NSFAS) supports access to, and success in higher education and training for students from poor and working-class families who would otherwise not be able to afford the cost of higher education studies.

• 28,9% of first-time entering students in 2023 were NSFAS funded students.

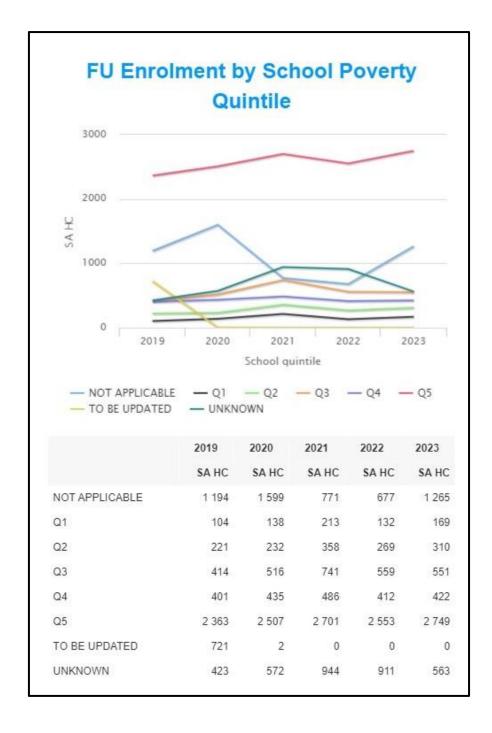

5. Enrolments by students with disability

• 2,3% of headcount enrolments in 2023 were students with disability.

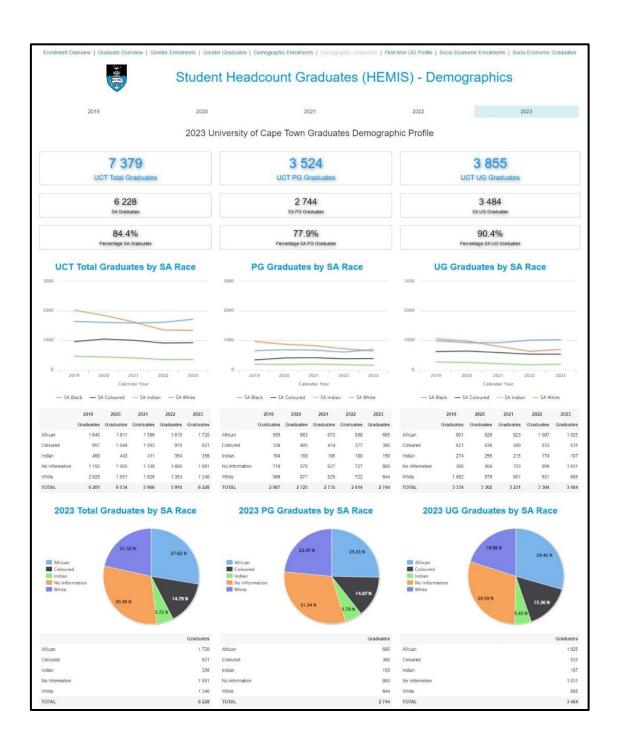

6. Enrolments by South African school poverty quintile

- South African School Poverty Quintiles: Quintile 1 is the 'poorest' quintile, while Quintile 5 is the 'least poor'. Quintile 1, 2 and 3 have been declared nofee schools, while schools in Quintiles 4 and 5 are fee-paying schools.
- 24% of first-time entering students in 2023 came from no-fee paying poor schools (Q1, Q2 & Q3).

GRADUATES

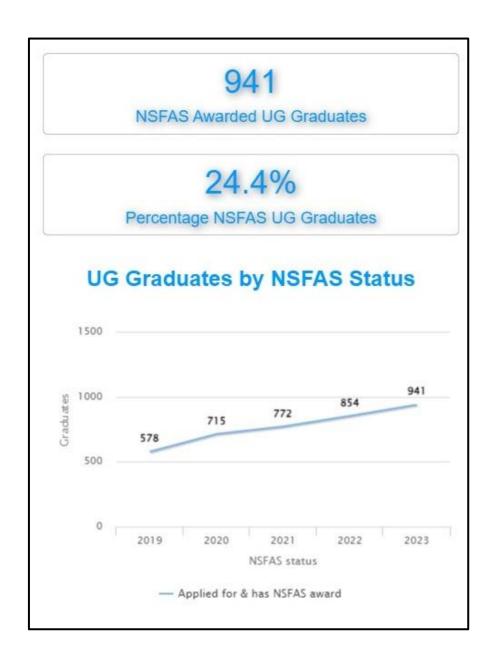

- 7. Graduates by South African Population groups
- 49% of graduates in 2023 were Black South African (African, Coloured and Indian).

8. Graduates by Financial Aid students

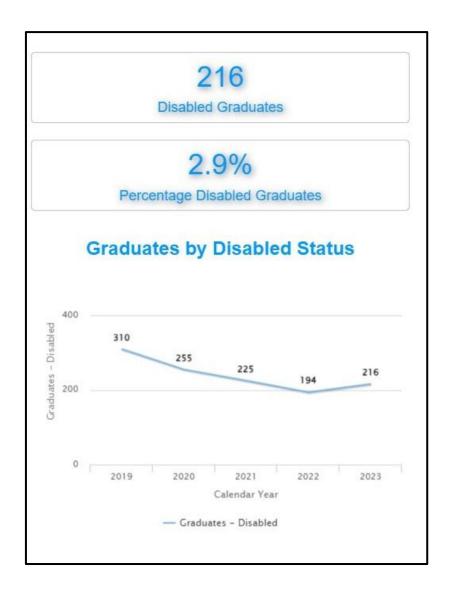

The National Student Financial Aid Scheme (NSFAS) supports access to, and success in higher education and training for students from poor and working-class families who would otherwise not be able to afford the cost of higher education studies.

• 24,4% of undergraduate graduates in 2023 were NSFAS funded students.

9. Graduates by students with disability

• 2,9% of graduates in 2023 were students with disability.

10. Graduates by South African school poverty quintile

- South African School Poverty Quintiles: Quintile 1 is the 'poorest' quintile,
 while Quintile 5 is the 'least poor'. Quintile 1, 2 and 3 have been declared nofee schools, while schools in Quintiles 4 and 5 are fee-paying schools.
- 13% of undergraduate graduates in 2023 came from no-fee paying poor schools (Q1, Q2 & Q3).
