

**New Proposed Assessment Panels.**

<b>Old Assessment panel</b>	<b>Proposed</b>
Anthropology, Developmental Studies, Geography, Sociology and Social work	Anthropology and developmental Studies
	Sociology and Social Work
	Geography
Basic and Applied and Microbiology	Basic and Applied and Microbiology
Biochemistry, Molecular and Cell Biology	Biochemistry, Molecular and Cell Biology
Chemistry	Material Science (Chemistry)
	Organic Science
Communication, Media studies, Library and Information Science	Communication, Media studies, Library and Information Science
Earth Science	Geosciences
	Atmospheric and environmental sciences
	Earth systems science
Economics, Management, Administration and Accounting	Economics
	Accounting and finance
	Management and Administration
	Public Management
Education	Education 1
	Education 2
	Education 3
	Education 4
Engineering 1	Chemical Engineering
Engineering 2	Mechanical and Mechatronic Engineering
Engineering 3	Civil Engineering and Built Environment
Engineering 4	Electrical Engineering and Electronics
Health Science (Public health)	Core Public Health Research Focus/Field
	Public Health Related Research Focus/Field
Health Science (Basic health)	Health Science (Basic health)
Health Science (Clinical health)	Health Science (Clinical health)
Historical Studies	Historical Studies
Information Technology	Information Technology
Law	Law
	Criminology and Policing
Literary Studies, Languages and Linguistics	Language
	Literature
Mathematical Sciences	Applied Maths
	Pure Maths
	Statistics
Performing and Creative Arts and Design	Performing and Creative Arts and Design
Physics	Material Science (physics)
	Nuclear Science
	Astro/space physics
Plant Science	Plant biotechnology, Physiology, Horticulture, Plant production, Food Science, Agro-processing

	Biodiversity, Ethnobotany/Ethnopharmacology, Ecology, Indigenous Knowledge, Taxonomy, Systematics
Political Sciences and Philosophy	Political Sciences and Philosophy
Psychology	Psychology
Religious Studies and Theology	Religion and Practical Ministry Practices
	Biblical Studies, Interpretation and Ancient Customs and Languages
Zoological Science	Zoological Science
