The [Wellcome Career Development](#) Awards scheme is soliciting applications from mid-career researchers from any discipline who have the potential to be international research leaders. They will develop their research capabilities, drive innovative programmes of work, and deliver significant shifts in understanding that could improve human life, health and wellbeing.

Research proposals may be in any discipline - including science, technology, engineering and mathematics (STEM), experimental medicine, humanities and social science, clinical/allied health sciences, and public health - as long as it has the potential to improve human life, health and wellbeing, and aligns with the Wellcome Trust's [funding remit](#).

#### Eligibility:

This call is open to mid-career researchers who are already driving their own research and who:

- Have completed one/two substantial periods of research after their initial training.
- May have been appointed to their first permanent, open-ended or long-term rolling contract within the last 3 years.
- Please review the [Wellcome's Eligibility and Suitability](#) criteria to confirm your individual eligibility.

#### Award details:

- Grants are available for up to eight years and applicants may request salary (if required) and the resources required for their research programme.
- More information regarding allowable and non-allowable costs can be found [here](#).

#### Deadlines and submission process:

This proposal requires the PI to complete an online application on the funder portal ([Wellcome Funding platform](#)) as well as requesting institutional approval via UCT's electronic Research Administration (eRA) system, prior to submission of the application.
