

## **Exness Fintech Scholarship in South Africa**

Ready to take your education to the next level? Apply for our fintech scholarship to the University of Cape Town.

At Exness, we know that learning never stops, which is why we're thrilled to offer our fintech scholarships to help you become future leaders in your field.

Get the support and funding assistance you need to pursue your dreams of earning a master's degree. Apply today and let us help you achieve your full potential.

### **About the scholarship**

The Exness scholarship is specifically designed to support exceptional students pursuing their master's degree in the areas of Computer science, Data science, Machine learning, Financial Engineering, Mathematics, Artificial Intelligence (AI), Computer engineering, Distributed Ledger Technology (DLT).

### **Full scholarship & financial support**

Our scholarship covers full tuition fees, as well as full or partial living expenses based on the financial needs of the selected students.

### **Eligibility criteria**

Applicants must meet the following requirements:

#### **1 Offer**

Hold an offer of admission from the University of Cape Town (UCT) for postgraduate programme in one of the following disciplines: Computer Science, Mathematics, Computer Engineering, Data Science, Machine Learning, Artificial Intelligence, Financial Engineering, or Distributed Ledger Technology (DLT).

#### **2 Financial need**

Demonstrate financial need, assessed on the basis of total annual household income:

- Up to R350,000: eligible for a full (100%) scholarship
- R350,001 – R800,000: eligible for a partial (75%) scholarship

#### **3 Academic**

Have a strong academic record, with a minimum average of 70% or equivalent.

\*Applications are open to international candidates, with priority given to applicants from South Africa.

*Undergraduate and PhD studies are not included in this scholarship.*

### **How to apply**

To apply for the scholarship, please send the following documents to [pgfunding@uct.ac.za](mailto:pgfunding@uct.ac.za) by 14th March 2026. Please add "**Exness Fintech Scholarship in South Africa**" to the subject line.

- Your CV
- A motivation letter stating your household income
- Academic transcripts
- A copy of your university acceptance letter

Students are encouraged to apply as soon as possible and to mention any strict deadlines to accept university offers in their application email.

Please note that only successful applicants will be called for an interview.

We look forward to receiving your application and wish you the best of luck in your academic pursuits.
