HOI SCHOLARSHIP AWARD

1. The Harry Oppenheimer Institute for African Studies at the University of Cape Town awards a scholarship designed to assist post-graduate students undertaking research in any field related to African Studies. Students will be required to register and complete a postgraduate degree at the University of Cape Town.
2. The Scholarship is a prestigious award and selection is based on:
 - (i) Academic merit
 - (ii) University's Equity Policy. These include the principles of affirmative action and the goal of developing the careers of black students to prepare them to become equal competitors and significant role models at UCT in general and in the field of African Studies in particular. Given that black people are currently underrepresented in the postgraduate student body, the Centre for African Studies encourages them to apply for this scholarship as we are committed to helping redress the under-representation.
3. Full time registered Masters' and Doctoral students from the African Continent who are undertaking research in African Studies are all eligible.
4. The value of the Scholarship is **up to R40 000**.
5. Applications should be made on the prescribed forms and accompanied by a full curriculum vitae and a motivation letter. **All documents in one pdf file**
6. Note that it is the responsibility of the applicant to request two persons familiar with their work to prepare a referee's report. The reports must be submitted directly to Noma-Afrika.Maseti@uct.ac.za.
7. The Scholarship may be deferred for a maximum of one year.
8. The proposed degree must be completed at UCT, failing which the full scholarship award must be refunded.
9. Applications and referee's reports must be received by **23 March 2026**
10. The HOI Committee reserves the right not to make an award.
