FEES

Fees are determined by Council from time to time and are subject to revision without notice.

1. TERMS OF PAYMENT

A registered student is personally liable for all tuition and accommodation fees, notwithstanding any pledges of support or bursary that they may have received.

It should be noted that the contract which forms part of the application form for admission to the University of Cape Town and which to that end was signed by the student and/or their legal guardian, legally binds those parties to pay the full tuition and accommodation fees for a year of registration as determined by the University. This liability is not affected nor reduced through ignorance on the part of the student/guardian regarding the rules and regulations of the University of Cape Town or of the validity of his/her registration in terms of the said rules and regulations.

Since a student's fee account is based on his/her academic record and accommodation choices, it is their responsibility to verify the correctness of this information.

1.1 Tuition Fees

Students will be charged for all academic courses for which they register.

Initial payment is due on or before 12 March 2021

We do not issue detailed statements of account prior to the initial payment date. It is therefore the responsibility of the student to pay the initial payment as set out below by the due date.

- 1.1.1 Each student must make an initial payment of academic fees, as follows, by 12 March 2021, subject to a one-off late payment fee of 8%.** This includes students who intend registering after the payment date, for example postgraduate students.

Students registering at the Graduate School of Business see point (b) below for initial payment due dates. Qualification not listed in point (b) the due date is 12 March 2021.

For the initial payment of residence fees, refer to 13.1.

Balance of all fees is due by 31 July 2021.

**ALL STUDENTS FROM OUTSIDE SOUTH AFRICA, INCLUDING
SADC, SHOULD REFER TO FEES FOR INTERNATIONAL

AND Section 5, of this handbook.**

- (a) **All students with South African citizenship or permanent residence for qualifications not listed below R 28 500**

1.1.2 The University of Cape Town does not accept responsibility for incorrect addresses, blocked e-mails or postal service deficiencies resulting in statements of account not being received. It is the responsibility of the student to make enquiries should he/she not receive a statement of account. The fact that no statement of account has been received will not be accepted as a reason for failure to pay the university fees by due date.

1.1.3 Where a student has applied to the bank for a student loan, the initial payment deadline will be extended until 30 April 2021, provided that the Fees Office receives a confirmation letter of an approved loan from the bank. No further extensions will be granted.

1.1.4 Bursaries and Sponsorship
 Any student who has been made a firm offer of an external bursary or scholarship must provide the Fees Office with written evidence from his/her sponsors and may deduct one half of the annual award from the initial payment of fees due. Awards which have not been confirmed by the due date for payment of fees may not be used to reduce the initial payment due. Such awards when confirmed will be credited towards fees due by 31 July 2021. Students who are uncertain on receiving a bursary, which subsequently does not

materialize, will not have an adjustment made to the 8% penalty fee raised on short payment of the initial fees or to interest charged.

1.1.5 Final payment must be made by 31 July 2021

Payment of the balance of fees is due on 31 July 2021. We send out detailed statements of account every month from March onwards.

1.1.6 Interest is charged on overdue accounts at 1% per month.

1.1.7 Where a student registers for the first time in the second semester of an academic year, the full fees (including residence, if applicable) are payable on registration or **prior to registration** for International Students including those from SADC countries. If fees are unpaid and student registration has been allowed due to residency, the fees are due immediately and interest is payable.

1.1.8 Where a student adds one or more courses at the start of the second semester of an academic year, the fees in respect thereof are due immediately and payable within 30 days of registration including summer term. Interest is charged on overdue accounts at 1% per month.

1.1.9 For fee purposes the same rules and conditions apply to a student who is provisionally registered at the University of Cape Town as for a registered student.

1.1.10 All fees due to the University are a first charge on any scholarship, bursary or loan granted by the University or paid to the University from other sources for the benefit of the student. If the total of bursaries/scholarships exceeds fees due, the balance may be drawn by the student in two equal instalments after 12 March and 31 July if the University has received payment of the bursary and the refund is agreed to by the sponsor.

1.1.11 A student to whom an advance is to be made, or to whom residual funds are to be disbursed, is required to capture his/her banking details on the PeopleSoft Student System via the Student Portal URL: <http://studentonline.uct.ac.za>.

Payments are made by electronic funds transfer and cannot be processed unless bank details have been entered. Students need to keep these current to avoid delays and payments being processed to incorrect bank accounts.

Payments made by online credit card will be refunded back to the same credit card if request is done within the allowable period.

1.1.12 A student who has a credit balance on his/her fee account because of an external payment, will not be refunded until at least 14 days have elapsed from the credit of the payment to his/her fee account.

1.1.13 Student identity cards must be produced at the Fees Office when withdrawals or refunds from fees accounts are requested. Students will be requested to provide supporting documentation where required.

1.1.14 Any case which may not be provided for in these rules will be subject to the ruling of the Council.

1.2 Residence Fees

Students who will be entering UCT student accommodation should refer to Section 13 of this handbook.

6 TERMS OF PAYMENT

- (b) will not receive their examination results;
- (c) will not receive an academic transcript;
- (d) will not be permitted to re-register in the following year;

- 1.5.1** Students who have outstanding fees, fines, interest, current registration of occasional non-degree studies or dues will not be awarded degrees or diplomas in:
- (ii) July, if any amount is unpaid by 31 May 2021
 - (iii) December, if any amount is unpaid by 31 October 2021

- 1.5.2** We charge interest monthly on outstanding balances at 1%. Where the final fee payment date is 31 July, interest is charged on outstanding balances at 1% per month from 31 July and at the end of each succeeding month.

- 1.5.3** A student whose fees are not paid by the due date, and who has not produced evidence of receipt of a bursary/scholarship/loan, may be excluded from attendance at classes or from a residence or a student housing unit.

- 1.5.4** Where a student has prior year outstanding fees, payments received will be allocated to clear unpaid interest first, followed by the oldest debt.

- 1.5.5** A student must check his/her fee account on a regular basis. This is especially important prior to the year-end. Various charges may be debited to fee accounts if the student has not settled these in cash, and these include library fines, traffic fines, student health charges and residence damage costs. Such charges will often appear on fee accounts late in the year. Students can access their fee account from the UCT website via the Student Portal URL: <http://studentsonline.uct.ac.za>.

2. ACADEMIC FEES

All students from outside South Africa, including students from SADC countries, should also refer to fees for international students in Section 5 of this handbook.

The University of Cape Town operates on a course-based fee structure inclusive of all “add-ons”. Thus, the dictum that ‘the price you see is the price you pay’ applies to all academic offerings across the University.

Please note that residence, catering and miscellaneous fees such as subscriptions to clubs and societies are itemised and charged separately on the student fee account.

The University’s all-inclusive course-based fee structures published in Section 12 of this booklet, together with the relevant Faculty handbook, will enable students to accurately calculate the cost of their academic studies at UCT in 2021.

The Faculty handbook will indicate the courses that can be taken in pursuing a qualification and the relevant course code. Use this code to look up the all-inclusive cost of the course in this booklet. The sum of these costs will give you the total cost for the set of chosen courses as there are no levies or additional academic charges.

Faculty handbooks containing the curriculum for each qualification can be obtained from the relevant faculty office and this information is also available on the UCT web site: www.students.uct.ac.za/students/study/handbooks/current

Since a student’s fees account is based on his/her academic load, it is the student’s responsibility to verify the correctness of his/her enrolment for courses in the current year.

To assist first time applicants, the table below lists fees for typical first-year undergraduate degrees for South African applicants. It will give you an idea of what the fees are likely to be. They may vary a bit depending on actual choice of courses

2.1 International students must add the relevant Administrative Service Fee / International Term fee to the cost of the typical fee.

2.2 Notice to Leave: Withdrawal of Registration

A registered student (or legal guardian) is personally liable for all tuition fees notwithstanding any pledges of support or bursary that they may have received.

Students or their legal guardians must give notice of intention to discontinue studies in writing by completing the Cancellation of Registration Form and submitting this together with their student card to their Faculty Office in person **or by registered mail**.

A R500 Administration Fee will be charged on all cancellations / withdrawals.
International students, including those from SADC countries, refer to Section 5.8.3

A reduction on the academic fees may be considered in special circumstances, depending on **when the notice of intention to discontinue studies is received by the Faculty Office.**
 If notice is received before:

- (a) **Whole Year Courses starting in March:**
 - 19 March 2021 100% adjustment
 - 06 August 2021 50% adjustment
- (b) **First Semester Courses starting in February:**
 - 19 March 2021 100% adjustment
 - 02 April 2021 50% adjustment
- (c) **Second Semester Courses starting in July:**

 - 20 August 2021 50% adjustment
- (d) **Full year programme starting in second semester**

 - 18 February 2022 50% adjustment

No reduction will be granted if the notice of intention to discontinue studies is received after the above deadlines.

Note: These dates will be strictly adhered to. *Any fees owing is due immediately on cancellation of studies.*

2.2.1 GSB students

Rebates for tuition fees (acceptance and administration fees are not rebated) may be granted depending on when the written notice of intention to discontinue studies is received by the GSB Faculty Office.

The unique nature of GSB programmes/courses precludes the organisation from replacing students once a programme/courses has commenced. Consequently, and with due consideration of Section 17(2) of the Consumer Protection Act, the following reduction in the academic fees *may* be considered in special circumstances, depending on when the notice of intention to discontinue studies is received by the Faculty Office:

Programme / Qualification/ course	Last date to add a course	Last date to drop a qualification/course		
		Get 75% fee adjustment	Get 50% fee adjustment	Cancel transcript entry
GSB Full Time	Friday of the first week of starting.	Friday of the first week of starting.	Friday of week three of starting.	Monday after which two thirds of the course has been presented/run.
GSB Modular	Friday of the first week of starting.	Friday of the first week of starting.	Friday of week three of starting.	Monday after which two thirds of the course has been presented/run.

Programmes/courses commence on the day a student is required to be at orientation. No reduction will be granted if the notice to withdraw is received after the above deadlines.

No withdrawal is possible after the ‘cancel transcript’ entry date.

Note: These dates will be strictly adhered to. *Any fees owing is due immediately on cancellation of studies.*

2.3 Drop an Individual Course

When students withdraw from individual courses of a minimum duration of one semester, any fee reduction is dependent upon the date of withdrawal. If the course duration is less than one semester, there is no fee reduction if a student withdraws from the course after it begins.

Course	Last date to add a course	Last date to drop a course		
		Get 100% fee adjustment	Get 50% fee adjustment	Cancel transcript entry
Whole year courses	19 March	19 March	06 August	13 August

No reduction will be granted if the notice to withdraw is received after the above deadlines.

After the last date to withdraw from a course but before the tenth last teaching day of a semester or year course, a student may notify the faculty office that he or she does not intend to complete the course. In this case the course remains on the record with a result of INC. During the last ten days of a semester or year course such notifications will no longer be accepted and a result of DPR or AB will be awarded by the department.

No withdrawal is possible after the ‘cancel transcript’ entry date.

Please return to the Fees Office any fee statements which are not for your account or which have been addressed to you in error. Regular campus communications will be updated onto UCT website.

4.1 The balance of any scholarship or award, after settlement of fees, will be refunded to the student on receipt of your payment. Sponsors must inform UCT in writing if surplus funding is not to be paid out to a student. Please therefore, ignore credits of this nature when calculating the amount due by you.

4.2 The estimated minimum amount required for board and lodging by students not accommodated in residence is **R 97 680** per year or **R 107 310 for Medical Students** who have a longer academic year. 4.5 We estimate that the following ancillary expenses could be incurred by each student in 2021:

Books and Stationery	R 7 000
Laptop.....	R 7 000

5.6 International and refugee scholarships

A limited number of scholarships are available annually to international and refugee students for postgraduate study in any discipline at UCT. As there is only one call for applications each year, it is important that the application procedure is strictly followed. These scholarships are awarded on a competitive basis and preference is given to senior candidates.

All UCT international and refugee students' scholarships are supplementary as a contribution towards Cost of Attendance. Students who apply must have the means to fund their studies.

Values:

Honours – R25 000

Master's – R30 000

Doctoral – R35 000

The scholarships are renewable for the duration of the course of study, if satisfactory progress is maintained, for 1 year at honours level, 2 at master's level and 3 at doctoral level. Students who are eligible for renewals of awards made, may apply for such renewals by completing Form 10F.

Applicants must apply for full-time admission through the UCT admissions office or the faculty office. Late applications are not accepted.

Closing date: 30 September (preceding the year of study)

[2021 Application Form](#)

If you are a Master's by Research or Doctoral applicant and have a prospective/established supervisor, please download [Section E](#)

The applicant's country of origin has no bearing on the award of scholarships, but proof of refugee status is required. For enquiries please contact: generalfunding@uct.ac.za

PLEASE ENSURE YOU APPLY FOR THESE SCHOLARSHIPS PRIOR TO COMING TO UCT!

For Honours, Postgraduate Diploma and Coursework Master's students there are Faculty International Student Bursaries (FISB) available which will reduce the **International Term Fee** and these are awarded at the discretion of the Faculty Dean based on academic

merit, financial need and faculty requirements. (International terms of payment will still apply). Please apply at the relevant Faculty Office.

THE ABOVE MENTIONED “FISB” AWARDS ARE ONLY APPLICABLE TO HONOURS, POSTGRADUATE DIPLOMA AND COURSEWORK MASTER’S STUDIES

5.7 Residence Fees

The initial payment as stated in 13.1 is required prior to registration for all international students and non-South African students who do not have permanent residence. This is in addition to the 100% of International Tuition Fees.

Residence fees for SADC and non-South African students

All students admitted to residence must pay the initial payment by 12 March 2021. In the case of residence offers made after this date, the initial payment is due immediately and must be made prior to signing into residence, i.e. R35 000 in the case of catering accommodation and R23 000 for self-catering. The balance of all residence fees is due by **31 July 2021**.

Note: *There is only limited accommodation available for international students in residences, consequently most international students share rented accommodation in the vicinity of the University. (Further information can be obtained from Student Housing/Campus Accommodation and Letting).*

The residence fee for 1st Tier residences excludes the winter vacation between the first and second semesters but includes the short vacations in the first and second semesters. For 2nd and 3rd Tier, the fee is inclusive of the winter vacation between the first and second semester. The opening date for new students is Monday, 01 February 2021 and the closing date for student housing is Sunday, 14 November 2021. 6. VISITING POSTGRADUATE STUDENTS AFFILIATED TO UCT

Individuals who wish to pursue research by using UCT's libraries and other facilities, must first make contact with a UCT department to ensure they will be welcome and obtain an assurance that there are necessary resources (and with mutual understanding of expectations) to accommodate them in the host department. Thereafter application should be made through the International Office. If accepted, international affiliates are given third party access to UCT's facilities. **International affiliates are not registered as students and do not enrol in courses, receive supervision, receive official transcripts of attendance for use towards qualifications taken elsewhere or have access to any services offered to registered students.**

International affiliate fees are levied for periods of attendance (or part thereof) as outlined below. Fees are payable in advance and prior to arrival at UCT. The fees for visiting international affiliates (excluding those in the Faculties of Science and of Health Sciences) are dependent upon the length of their stay at the University of Cape Town and are as follows.

2 months or less	R 6 340
2 months to 4 months	R11 920
4 months to 6 months	R17 520
6 months to 12 months	R23 380

Science and Health Science Faculty students should consult their Faculty Officer.

Fees will be payable in advance, prior to registration at UCT.

International Affiliate Fees Cancellation Policy

When affiliates withdraw from individual courses, any fee reduction is dependent on the date of withdrawal. International Affiliates who decide to leave early may apply to their host department for a pro-rata refund of fees.

11. UCT ACADEMIC FEES

All students from outside South Africa, including students from SADC countries, should also refer to fees for international students in Section 5 of this handbook.

The University of Cape Town operates on a course-based fee structure inclusive of all “add-ons”. Thus, the dictum that ‘the price you see is the price you pay’ applies to all academic offerings across the University.

The University’s course-based fee structures, together with the relevant Faculty handbook, will enable students to accurately calculate the cost of their academic studies at UCT in 2021.

Since a student’s fees account is based on his/her academic record, it is the student’s responsibility to verify the correctness of his/her academic record.

To assist students and fee payers’ budget for their academic studies at UCT for 2021 we have set-out below the cost of fees for a typical qualification by faculty and year of study.

Note: The following typical fees for South African students are only guidelines and will vary with the students’ actual choice of courses.

11.1 Typical 1st Year Tuition Fees

International students must add the relevant Administrative Service Fee / International Term fee to the cost of the typical fee.

12. UCT ACADEMIC COURSES

All students from outside South Africa, including students from SADC countries, should also refer to fees for international students in Section 5 of this handbook.

The University of Cape Town operates on a course-based fee structure inclusive of all “add-ons”. Thus, the dictum that ‘the price you see is the price you pay’ applies to all academic offerings across the University.

Please note that residence, catering and miscellaneous fees such as subscriptions to clubs and societies are itemised and charged separately on the student fee account.

The University’s course-based fee structures, together with the relevant Faculty handbook, will enable students to calculate the cost of their academic studies at UCT in 2021 accurately.

The Faculty handbook will indicate the courses that can be taken in pursuing a qualification and the relevant course code. Use this code to look up **the all inclusive cost of the course** in this booklet. The sum of these costs will give you the **total cost** for the set of chosen courses. **There are no levies.**

Since a student’s fees account is based on his/her academic load, it is the student’s responsibility to verify the correctness of his/her enrolment for courses in the current year.

Faculty handbooks can be obtained from the relevant faculty office and this information is also available on the UCT web site:

<http://www.students.uct.ac.za/students/study/handbooks/current>

Courses added after the publication of this handbook will be listed on the Fees website at <http://www.students.uct.ac.za/students/fees-funding/fees/handbook>

13.1.1 Post-dated cheques will not be accepted and will be returned to the drawer.

Initial payment of Residence Fees is as follows:

i) Catering Residence (First and Second Tier).....	R35 000
ii) Self Catering Residences (Second and Third Tier).....	R23 000

This initial payment must be made by 12 March 2021 in the case of both new and readmission students, subject to a late payment fee of 8%.

Students from SADC countries and non-South African students who do not have permanent residence but pay local fees, must pay the minimum initial fee for academic and residence fees PLUS the SADC Administrative fee of R4,000 **prior to registration** or by 12 March 2021, whichever date occurs first. Please allow at least 14 working days for payment to reflect in UCT bank account to avoid delays in registration clearance being granted.

In the case of residence offers made after 12 March 2021, the initial payment is due immediately and must be made prior to signing into residence.

A student moving into university residence after registration is also required to pay the initial fee as stated above.

13.1.2 Balance of all residence fees is due by 31 July 2021.

13.1.3 Students who have not been living in student housing for the first semester and who are accepted into residence for the second semester will be required to pay one half of the annual residence fee on registration or **prior to registration** for international students including those from SADC countries

The annual residence fee for these purposes *does not* include amenities, damage or laundry levies.

13.2.3 Student vacation accommodation for academic reasons during December, January, early February and the mid-year vacation.

A student who for academic purposes or for other purposes deemed to be acceptable by the Director of Student Housing has to be in Cape Town before his/her residence, house or flat opens or after his/her residence, house or flat has closed may be accommodated in a residence which has been opened for the purpose, provided that he/she has complied with the application procedures laid down by the Residences Committee. He/she shall pay for this accommodation at a daily rate to be determined from time to time by the Residences Committee.

13.3 Residence Fees and Occupancy

All students from outside South Africa and the other SADC countries should refer to (5.8) for international students.

The fee for Second and Third Tier includes these vacations. For the purposes of a student housing place the academic year shall be deemed to end 72 hours after the student's last scheduled examination or in the case of a graduand, on the official closing date of the residence each semester.

The opening date for 1st and 2nd Tier residence students is Monday, 01 March 2021, with the exception of Carinus (Health Science), Clarendon (Health Science), Medical Residence, Meulenhof, Obz Square (Health Science only) and Rochester House being Sunday, 30 January 2021. 3rd Tier residences open on Thursday 25 February 2021.
