FEES

Fees are determined by Council from time to time and are subject to revision without notice.

1. TERMS OF PAYMENT

A registered student is personally liable for all tuition and accommodation fees, notwithstanding any pledges of support or bursary that they may have received.

It should be noted that the contract which forms part of the application form for admission to the University of Cape Town and which to that end was signed by the student and/or their legal guardian, legally binds those parties to pay the full tuition and accommodation fees for a year of registration as determined by the University. This liability is not affected nor reduced through ignorance on the part of the student/guardian regarding the rules and regulations of the University of Cape Town or of the validity of his/her registration in terms of the said rules and regulations.

Since a student's fee account is based on his/her academic record and accommodation choices, it is their responsibility to verify the correctness of this information.

1.1 Tuition Fees

Students will be charged for all academic courses for which they register.

Initial payment is due on or before 31 January 2020

We do not issue detailed statements of account prior to the initial payment date. It is therefore the responsibility of the student to pay the initial payment as set out below by the due date.

- 1.1.1 Each student must make an initial payment of academic fees, as follows, by 31 January 2020, subject to a one-off late payment fee of 8%.** This includes students who intend registering after the payment date, for example postgraduate students.

Students registering at the Graduate School of Business see point (b) below for initial payment due dates. Qualification not listed in point (b) the due date is 31 January 2020.

For the initial payment of residence fees, refer to 13.1.

1.1.2

Allow at least 14 working days for payment to appear in UCT bank account to avoid delays in registration clearance being granted

The University of Cape Town does not accept responsibility for incorrect addresses, blocked e-mails or postal service deficiencies resulting in statements of account not being received. It is the responsibility of the student to make enquiries should he/she not receive a statement of account. The fact that no statement of account has been received will not be accepted as a reason for failure to pay the university fees by due date.

1.1.3

Where a student has applied to the bank for a student loan, the initial payment deadline will be extended until 31 March 2020, provided that the Fees Office receives a confirmation letter of an approved loan from the bank. No further extensions will be granted.

1.1.4 Bursaries and Sponsorship

Any student who has been made a firm offer of an external bursary or scholarship must provide the Fees Office with written evidence from his/her sponsors and may deduct one half of the annual award from the initial payment of fees due. Awards which have not been confirmed by the due date for payment of fees may not be used to reduce the initial payment due. Such awards when confirmed will be credited towards fees due by 30 June 2020. Students who are uncertain on receiving a bursary, which subsequently does not materialize, will not have an adjustment made to the 8% penalty fee raised on short payment of the initial fees or to interest charged.

1.1.5 Final payment must be made by 30 June 2020

Payment of the balance of fees is due on 30 June 2020. We send out detailed statements of account every month from March onwards.

1.1.6

Interest is charged on overdue accounts at 1% per month.

4 TERMS OF PAYMENT

- 1.1.7** Where a student registers for the first time in the second semester of an academic year, the full fees (including residence, if applicable) are payable on registration or **prior to registration** for International Students including those from SADC countries.
- 1.1.8** Where a student adds one or more courses at the start of the second semester of an academic year, the fees in respect thereof are due immediately and payable within 30 days of registration including summer term. Interest is charged on overdue accounts at 1% per month.
- 1.1.9** For fee purposes the same rules and conditions apply to a student who is provisionally registered at the University of Cape Town as for a registered student.
- 1.1.10** All fees due to the University are a first charge on any scholarship, bursary or loan granted by the University or paid to the University from other sources for the benefit of the student. If the total of bursaries/scholarships exceeds fees due, the balance may be drawn by the student in two equal instalments after 31 January and 30 June if the University has received payment of the bursary and the refund is agreed to by the sponsor.
- 1.1.11** A student to whom an advance is to be made, or to whom residual funds are to be disbursed, is required to capture his/her banking details on the PeopleSoft Student System via the Student Portal URL: <http://studentsonline.uct.ac.za>.
- Payments are made by electronic funds transfer and cannot be processed unless bank details have been entered. Students need to keep these current to avoid delays and payments being processed to incorrect bank accounts.
- Payments made by online credit card will be refunded back to the same credit card if request is done within the allowable period.
- 1.1.12** A student who has a credit balance on his/her fee account because of an external payment, will not be refunded until at least 14 days have elapsed from the credit of the payment to his/her fee account.

1.4 Payments Received

All payments received will be applied in the first instance to any amount outstanding from the prior year debt. Thereafter payments made will be applied against current year debt in the following order:

Tuition charges,
Residence and meal charges,
External Bursars Allowances,
Finance administration and miscellaneous charges.

1.5 Outstanding Fees

Students with outstanding balances on their fees account:

- (a) will not be permitted to graduate;
- (b) will not receive their examination results;
- (c) will not receive an academic transcript;
- (d) will not be permitted to re-register in the following year;
- (e) will not be permitted to register for Summer Term programmes which start in the next academic year;

6 TERMS OF PAYMENT

- (i) April, if any amount is unpaid by 28 February 2020
 - (ii) June, if any amount is unpaid by 30 April 2020
 - (iii) December, if any amount is unpaid by 31 October 2020
- 1.5.2** We charge interest monthly on outstanding balances at 1%. Where the final fee payment date is 30 June, interest is charged on outstanding balances at 1% per month from 31 July and at the end of each succeeding month.

- 1.5.4** Where a student has prior year outstanding fees, payments received will be allocated to clear unpaid interest first, followed by the oldest debt.
- 1.5.5** A student must check his/her fee account on a regular basis. This is especially important prior to the year-end. Various charges may be debited to fee accounts if the student has not settled these in cash, and these include library fines, traffic fines, student health charges and residence damage costs. Such charges will often appear on fee accounts late in the year. Students can access their fee account from the UCT website via the Student Portal URL: <http://studentsonline.uct.ac.za>.

2. ACADEMIC FEES

All students from outside South Africa, including students from SADC countries, should also refer to fees for international students in Section 5 of this handbook.

The University of Cape Town operates on a course-based fee structure inclusive of all “add-ons”. Thus, the dictum that ‘the price you see is the price you pay’ applies to all academic offerings across the University.

Please note that residence, catering and miscellaneous fees such as subscriptions to clubs and societies are itemised and charged separately on the student fee account.

The University’s all-inclusive course-based fee structures published in Section 12 of this booklet, together with the relevant Faculty handbook, will enable students to accurately calculate the cost of their academic studies at UCT in 2020.

The Faculty handbook will indicate the courses that can be taken in pursuing a qualification and the relevant course code. Use this code to look up the all-inclusive cost of the course in this booklet. The sum of these costs will give you the total cost for the set of chosen courses as there are no levies or additional academic charges.

Faculty handbooks containing the curriculum for each qualification can be obtained from the relevant faculty office and this information is also available on the UCT web site: www.students.uct.ac.za/students/study/handbooks/current

Since a student’s fees account is based on his/her academic load, it is the student’s responsibility to verify the correctness of his/her enrolment for courses in the current year.

To assist first time applicants, the table below lists fees for typical first-year undergraduate degrees for South African applicants. It will give you an idea of what the fees are likely to be. They may vary a bit depending on actual choice of courses

2.1 International students must add the relevant Administrative Service Fee / International Term fee to the cost of the typical fee.

2.2 Notice to Leave: Withdrawal of Registration

A registered student (or legal guardian) is personally liable for all tuition fees notwithstanding any pledges of support or bursary that they may have received.

Students or their legal guardians must give notice of intention to discontinue studies in writing by completing the Cancellation of Registration Form and submitting this together with their student card to their Faculty Office in person **or by registered mail.**

A R500 Administration Fee will be charged on all cancellations / withdrawals. International students, including those from SADC countries, refer to Section 5.9

A reduction on the academic fees may be considered in special circumstances, depending on **when the notice of intention to discontinue studies is received by the Faculty Office.** If notice is received before:

 - 14 February 2020..... 100% adjustment
 - 17 July 2020..... 50% adjustment

Note: These dates will be strictly adhered to. *Any fees owing are due immediately on cancellation of studies.*

2.2.1 GSB students

Rebates for tuition fees (acceptance and administration fees are not rebated) may be granted depending on when the written notice of intention to discontinue studies is received by the GSB Faculty Office.

The unique nature of GSB programmes/courses precludes the organisation from replacing students once a programme/courses has commenced. Consequently, and with due consideration of Section 17(2) of the Consumer Protection Act, the following reduction in the academic fees *may* be considered in special circumstances, depending on when the notice of intention to discontinue studies is received by the Faculty Office:

Programme / Qualification/ course	Last date to add a course	Last date to drop a qualification/course		
		Get 75% fee adjustment	Get 50% fee adjustment	Cancel transcript entry
GSB Full Time	Friday of the first week of starting.	Friday of the first week of starting.	Friday of week three of starting.	Monday after which two thirds of the course has been presented/run.
GSB Modular	Friday of the first week of starting.	Friday of the first week of starting.	Friday of week three of starting.	Monday after which two thirds of the course has been presented/run.

Programmes/courses commence on the day a student is required to be at orientation. No reduction will be granted if the notice to withdraw is received after the above deadlines.

No withdrawal is possible after the 'cancel transcript' entry date.

Note: These dates will be strictly adhered to. *Any fees owing are due immediately on cancellation of studies.*

2.3 Drop an Individual Course

When students withdraw from individual courses of a minimum duration of one semester, any fee reduction is dependent upon the date of withdrawal. If the course duration is less than one semester, there is no fee reduction if a student withdraws from the course after it begins.

Please return to the Fees Office any fee statements which are not for your account or which have been addressed to you in error.

4.1 The balance of any scholarship or award, after settlement of fees, will be refunded to the student on receipt of your payment. Sponsors must inform UCT in writing if surplus funding is not to be paid out to a student. In most cases, students use funding from additional sources to help them meet expenses incurred in connection with their studies (for example, accommodation and subsistence, books and stationery, transport). Please therefore, ignore credits of this nature when calculating the amount due by you.

4.2 The estimated minimum amount required for board and lodging by students not accommodated in residence is **R 91 450** per year or **R 100 580 for Medical Students** who have a longer academic year. We suggest that sponsors require from their students verifiable board and lodging expense accounts if the students reside outside official University accommodation.

4.3 Students accommodated in a catering residence who have **not** chosen the full meal option will require the following additional funds to cover meals taken elsewhere:

4.3.1	additional approximate amount required by students who have chosen meal option (2), per year.....	R 6 500
4.3.2	additional approximate amount required by students who have chosen meal option (3), per year.....	R 8 400

4.4 Students accommodated in self-catering residences will require an approximate amount of **R25 800** per year (**R2 580** per month) to cover the cost of meals.

Health Science Students in self-catering residences will require an approximate amount of **R31 000** per year (**R3 100** per month) to cover the cost of meals.

4.5 We estimate that the following ancillary expenses could be incurred by each student in 2020:

Books and Stationery	R 7 000

Educational Equipment	R 3 500
Living expenses, local transport, pocket money and sundries	R 8 000

The balance of all residence fees is due by **30 June 2020**.

Note: *There is only limited accommodation available for international students in residences, consequently most international students share rented accommodation in the vicinity of the University. (Further information can be obtained from Student Housing/Campus Accommodation and Letting).*

The residence fee for 1st Tier residences excludes the winter vacation between the first and second semesters but includes the short vacations in the first and second semesters. For 2nd and 3rd Tier, the fee is inclusive of the winter vacation between the first and second semester. The opening date for new students is Tuesday, 28 January 2020 and the closing date for student housing is Saturday, 12 November 2020. The same withdrawal rules apply to international students leaving residences as for local students (refer to 13.2 page 123).

A 50% fee rebate of the Semester Study Abroad tuition fee will be applied to all cancellations or withdrawals received after arrival or registration at UCT. This will include, but not be limited to, cases where a student changes status to an Affiliate, or reapplies for Full Degree, Master's or Occasional student studies. (50% fee rebate)

There will be no fee rebate for any cancellation or withdrawal received after 10 February for Semester 1 intakes and after the 13 July for the Semester 2 intakes. (If the stated date falls on a weekend or public holiday – then notice must be received on the last working day prior to stated date)

Full Degree Students (GSB students refer to Section 2.2.1)

Students or their parents or guardians must give notice to discontinue studies in writing by completing the Cancellation of Registration Form and submitting this to their Faculty Office in person **or by registered mail**.

A reduction on the International Term Fee may be considered in special circumstances depending on the date of cancellation. If registration is cancelled before:

- (a) the beginning of the first quarter, 10 February 2020..... *100% adjustment*
before 13 July 2020 *50% adjustment*

Students registering in the second semester who cancel/withdraw before:

- (b) the beginning of the third quarter, 13 July 2020 *100% adjustment*

No reduction of the International Term Fee will be granted if registration is cancelled after the 13 July 2020.

Note: The R4,000 International Administrative Service Fee is non-refundable under any circumstances.

Any outstanding fees are due immediately upon cancellation of studies, including Student Housing fees/levies etc. if these have not already been paid.

Dropping or changing of courses, refer to section 2.3.

International Occasional Students and Affiliates

When students withdraw from individual courses, any fee reduction is dependent on the date of withdrawal. No International Fee reductions will be considered where withdrawal occurs after the second or fourth quarter has begun. International Affiliates who decide to leave early may apply to their host department for a pro-rata refund of fees.

6. VISITING POSTGRADUATE STUDENTS AFFILIATED TO UCT

The fees for visiting postgraduate students (excluding those in the Faculty of Science and Health Sciences) are dependent upon the length of their stay at the University of Cape Town and are as follows:

2 months or less	R 6 050
2 months to 4 months	R11 380
4 months to 6 months	R16 750

8. SUBMISSION OF DOCTORAL THESES AND MASTER'S DISSERTATIONS

A rebate on the annual academic fee for a doctoral thesis or master's dissertation is granted according to the following schedule:

8.1 In the case of a master's dissertation, this applies in the second or subsequent year in which the dissertation is being completed;

8.2 In the case of a doctoral thesis, this applies in the third or subsequent year in which the thesis is being completed;

Where a student is required to revise and resubmit a thesis or dissertation the academic fee will be charged per quarter (i.e. if the candidate must work for up to one quarter, he/she will pay 25% of the full fee; for up to two quarters, he/she will pay 50% of the full fee and so on).

Note 1: Full annual fees will be billed from the date on which the student is notified to revise and resubmit, and any fee rebate will be processed on resubmission.

Note 2: International students who are required to revise and resubmit a dissertation or thesis and who need to re-register at the start of a new academic year, may have their international term fee pro-rated up-front where there is a clear indication from the supervisor that the student is expected to submit in a period shorter than a year.

11. UCT ACADEMIC FEES

All students from outside South Africa, including students from SADC countries, should also refer to fees for international students in Section 5 of this handbook.

The University of Cape Town operates on a course-based fee structure inclusive of all “add-ons”. Thus, the dictum that ‘the price you see is the price you pay’ applies to all academic offerings across the University.

The University’s course-based fee structures, together with the relevant Faculty handbook, will enable students to accurately calculate the cost of their academic studies at UCT in 2020.

Since a student’s fees account is based on his/her academic record, it is the student’s responsibility to verify the correctness of his/her academic record.

To assist students and fee payers’ budget for their academic studies at UCT for 2020 we have set-out below the cost of fees for a typical qualification by faculty and year of study.

Note: The following typical fees for South African students are only guidelines and will vary with the students’ actual choice of courses.

11.1 Typical 1st Year Tuition Fees

International students must add the relevant Administrative Service Fee / International Term fee to the cost of the typical fee.

12. UCT ACADEMIC COURSES

All students from outside South Africa, including students from SADC countries, should also refer to fees for international students in Section 5 of this handbook, pages 18.

The University of Cape Town operates on a course-based fee structure inclusive of all “add-ons”. Thus, the dictum that ‘the price you see is the price you pay’ applies to all academic offerings across the University.

Please note that residence, catering and miscellaneous fees such as subscriptions to clubs and societies are itemised and charged separately on the student fee account.

The University’s course-based fee structures, together with the relevant Faculty handbook, will enable students to calculate the cost of their academic studies at UCT in 2020 accurately.

The Faculty handbook will indicate the courses that can be taken in pursuing a qualification and the relevant course code. Use this code to look up **the all inclusive cost of the course** in this booklet. The sum of these costs will give you the **total cost** for the set of chosen courses. **There are no levies.**

Since a student’s fees account is based on his/her academic load, it is the student’s responsibility to verify the correctness of his/her enrolment for courses in the current year.

Faculty handbooks can be obtained from the relevant faculty office and this information is also available on the UCT web site:

<http://www.students.uct.ac.za/students/study/handbooks/current>

Courses added after the publication of this handbook will be listed on the Fees website at

<http://www.students.uct.ac.za/students/fees-funding/fees/handbook>
