FEES

Fees are determined by Council from time to time and are subject to revision without notice.

1. TERMS OF PAYMENT

A registered student is personally liable for all tuition and accommodation fees, notwithstanding any pledges of support or bursary that they may have received.

It should be noted that the contract which forms part of the application form for admission to the University of Cape Town and which to that end was signed by the student and/or their legal guardian, legally binds those parties to pay the full tuition and accommodation fees for a particular year of registration as determined by the University. This liability is not affected nor reduced through ignorance on the part of the student/guardian regarding the rules and regulations of the University of Cape Town or of the validity of his/her registration in terms of the said rules and regulations.

Since a student's fee account is based on his/her academic record and accommodation choices, it is their responsibility to verify the correctness of this information.

1.1 Tuition Fees

Students will be charged for all academic courses for which they register.

Initial payment is due on or before 9 February 2018

We do not issue detailed statements of account prior to the initial payment date. It is therefore the responsibility of the student to pay the initial payment as set out below by the due date.

- 1.1.1 Each student must make an initial payment of academic fees, as follows, by 9 February 2018, subject to a one-off late payment fee of 10%.** This includes students who intend registering after the payment date, for example postgraduate students.

Students registering at the Graduate School of Business see point (b) below for initial payment due dates. Qualification not listed in point (b) the due date is 9 February 2018.

For the initial payment of residence fees, refer to 13.1, page 124.

Balance of all fees is due by 30 June 2018.

ALL STUDENTS FROM OUTSIDE SOUTH AFRICA, INCLUDING SADC, SHOULD REFER TO FEES FOR INTERNATIONAL STUDENTS; POINT (d) OR (e) BELOW AND Section 5, page 18, of this handbook.

- (e) Each international student must make a minimum initial payment towards tuition fees, international term fees and residence fees (where applicable), prior to registration or before 9 February 2018, whichever date is earlier. - 1.1.2** The University of Cape Town does not accept responsibility for incorrect addresses, blocked e-mails or postal service deficiencies resulting in statements of account not being received. It is the responsibility of the student to make enquiries should he/she not receive a statement of account. The fact that no statement of account has been received will not be accepted as a reason for failure to pay the university fees by due date.

- 1.1.3** Where a student has applied to the bank for a student loan, the initial payment deadline will be extended until 31 March 2018, provided that the Fees Office receives a confirmation letter of an approved loan from the bank. No further extensions will be granted.

1.1.4 Bursaries and Sponsorship

Any student who has been made a firm offer of an external bursary or scholarship must provide the Fees Office with written evidence from his/her sponsors and may deduct one half of the annual award from the initial payment of fees due. Awards which have not been confirmed by the due date for payment of fees may not be used to reduce the initial payment due. Such awards when confirmed will be credited towards fees due by 30 June 2018. Students who gamble on receiving an unconfirmed bursary, which subsequently does not materialize, will not have an adjustment made to the 10% penalty fee raised on short payment of the initial fees or to interest charged.

1.1.5 Final payment must be made by 30 June 2018

Payment of the balance of fees is due on 30 June 2018. We send out detailed statements of account every month from March onwards.

- 1.1.6** Interest is charged on overdue accounts at 1% per month.

- 1.1.7** Where a student registers for the first time in the second semester of an academic year, the full fees (including residence, if applicable) are payable on registration or **prior to registration** for International Students including those from SADC countries.

4 TERMS OF PAYMENT

- 1.1.8** Where a student adds one or more courses at the start of the second semester of an academic year, the fees in respect thereof are due immediately and payable within 30 days of registration including summer term. Interest is charged on overdue accounts at 1% per month.
- 1.1.9** For fee purposes the same rules and conditions apply to a student who is provisionally registered at the University of Cape Town as for a registered student.
- 1.1.10** All fees due to the University are a first charge on any scholarship, bursary or loan granted by the University or paid to the University from other sources for the benefit of the student. If the total of bursaries/scholarships exceeds fees due, the balance may be drawn by the student in two equal instalments after 09 February and 30 June, if the University has received payment of the bursary and the refund is agreed to by the sponsor.
- 1.1.11** A student to whom an advance is to be made, or to whom residual funds are to be disbursed, is required to capture his/her banking details on the PeopleSoft Student System via the Student Portal URL: <http://studentonline.uct.ac.za>.
- Payments are made by electronic funds transfer and cannot be processed unless bank details have been entered. Students need to keep these current to avoid delays and payments being processed to incorrect bank accounts.
- Payments made by online credit card will be refunded back to the same credit card, if request is done within the allowable period.
- 1.1.12** A student who has a credit balance on his/her fee account as a result of an external payment, will not be refunded until at least 14 days have elapsed from the credit of the payment to his/her fee account
- 1.1.13** Student identity cards must be produced at the Fees Office when withdrawals or refunds from fees accounts are requested.
- 1.1.14** Any case which may not be provided for in these rules will be subject to the ruling of the Council.

1.2 Residence Fees

1.4 **Payments Received**

All payments received will be applied in the first instance to any amount outstanding from the prior year debt. Thereafter payments made will be applied against current year debt in the following order:

- Tuition charges,
- Residence and meal charges,
- External Bursars Allowances,
- Finance administration and miscellaneous charges.

6 TERMS OF PAYMENT

1.5 Outstanding Fees

Students with outstanding balances on their fees account:

- (a) will not be permitted to graduate;
- (b) will not receive their examination results;
- (c) will not receive an academic transcript;
- (d) will not be permitted to re-register in the following year;
- (e) will not be permitted to register for Summer Term programmes which start in the next academic year;
- (f) will have any offer of a place in residence cancelled on Friday 26 January 2018 if outstanding fees are not paid by Thursday, 18 January 2018;
- (g) will not have any subsequent application processed until debt has been settled in full.

1.5.1 Students who have outstanding fees, fines, interest, current registration of occasional non-degree studies or dues will not be awarded degrees or diplomas in:

- (i) June, if any amount is unpaid by 30 April 2018
- (ii) December, if any amount is unpaid by 31 October 2018

1.5.2 We charge interest monthly on outstanding balances at 1%. Where the final fee payment date is 30 June, interest is charged on outstanding balances at 1% per month from 31 July and at the end of each succeeding month.

1.5.3 A student whose fees are not paid by the due date, and who has not produced evidence of receipt of a bursary/scholarship/loan, may be excluded from attendance at classes or from a residence or a student housing unit.

1.5.4 Where a student has prior year outstanding fees, payments received will be allocated to clear unpaid interest first, followed by the oldest debt.

1.5.5 A student must check his/her fee account on a regular basis. This is especially important prior to the year-end. Various charges may be debited to fee accounts if the student has not settled these in cash, and these include library fines, traffic fines, student health charges and residence damage costs. Such charges will often appear on fee accounts late in the year. Students can access their fee account from the UCT website via the Student Portal URL: <http://studentsonline.uct.ac.za>.

2. ACADEMIC FEES

All students from outside South Africa, including students from SADC countries, should also refer to fees for international students in Section 5 of this handbook, pages 18 - 26.

The University of Cape Town operates on a course-based fee structure inclusive of all “add-ons”. Thus, the dictum that ‘the price you see is the price you pay’ applies to all academic offerings across the University.

Please note that residence, catering and miscellaneous fees such as subscriptions to clubs and societies are itemised and charged separately on the student fee account.

The University’s all-inclusive course-based fee structures published in Section 12 of this booklet, together with the relevant Faculty handbook, will enable students to accurately calculate the cost of their academic studies at UCT in 2018.

The Faculty handbook will indicate the courses that can be taken in pursuing a qualification and the relevant course code. Use this code to look up the all-inclusive cost of the course in this booklet. The sum of these costs will give you the total cost for the set of chosen courses as there are no levies or additional academic charges.

Faculty handbooks containing the curriculum for each qualification can be obtained from the relevant faculty office and this information is also available on the UCT web site: www.students.uct.ac.za/students/study/handbooks/current

Since a student’s fees account is based on his/her academic load, it is the student’s responsibility to verify the correctness of his/her enrolment for courses in the current year.

In order to assist first time applicants, the table below lists fees for typical first-year undergraduate degrees for South African applicants. It will give you an idea of what the fees are likely to be. They may vary a bit depending on actual choice of courses

2.1 International students must add the relevant Administrative Service Fee / International Term fee to the cost of the typical fee.

2.2 Notice to Leave: Withdrawal of Registration

A registered student (or legal guardian) is personally liable for all tuition fees notwithstanding any pledges of support or bursary that they may have received.

Students or their legal guardians must give notice of intention to discontinue studies in writing by completing the Cancellation of Registration Form and submitting this together with their student card to their Faculty Office in person **or by registered mail.**

A R500 Administration Fee will be charged on all cancellations / withdrawals.
International students, including those from SADC countries, refer to Section 5.9

A reduction on the academic fees may be considered in special circumstances, depending on **when the notice of intention to discontinue studies is received by the Faculty Office.** If notice is received before:

- (a) **Whole Year Courses starting in February:**
 23 February 2018..... 100% adjustment
 27 July 2018..... 50% adjustment
- (b) **First Semester Courses starting in February:**

- (d) **Online blended learning: Full year programme starting in second semester**

No reduction will be granted if the notice of intention to discontinue studies is received after the above deadlines.

Note: These dates will be strictly adhered to. *Any fees owing are due immediately on cancellation of studies.*

2.2.1 GSB students

Rebates for tuition fees (acceptance and administration fees are not rebated) may be granted depending on when the written notice of intention to discontinue studies is received by the GSB Faculty Office.

The unique nature of GSB programmes precludes the organisation from replacing students once a programme has commenced. Consequently, and with due consideration of Section 17(2) of the Consumer Protection Act, the following reduction in the academic fees *may* be considered in special circumstances, depending on when the notice of intention to discontinue studies is received by the Faculty Office:

Programme / Qualification	Last date to add a course	Last date to drop a qualification		
		Get 75% fee adjustment	Get 50% fee adjustment	Cancel transcript entry
GSB Full Time Qualifications	Friday of the first week of starting.	Friday of the first week of starting.	Friday of week three of starting.	Monday after which two thirds of the course has been presented/run.
GSB Modular Qualifications	Friday of the first week of starting.	Friday of the first week of starting.	Friday of week three of starting.	Monday after which two thirds of the course has been presented/run.

Programmes commence on the day a student is required to be at orientation.

No reduction will be granted if the notice to withdraw is received after the above deadlines.

No withdrawal is possible after the ‘cancel transcript’ entry date.

Note: These dates will be strictly adhered to. *Any fees owing are due immediately on cancellation of studies.*

2.3 Drop an Individual Course

When students withdraw from individual courses of a minimum duration of one semester, any fee reduction is dependent upon the date of withdrawal. If the course duration is less than one semester, there is no fee reduction if a student withdraws from the course after it begins.

Course	Last date to add a course	Last date to drop a course		
		Get 100% fee adjustment	Get 50% fee adjustment	Cancel transcript entry

Please return to the Fees Office any fee statements which are not for your account or which have been addressed to you in error.

4.1 The balance of any scholarship or award, after settlement of fees, will be refunded to the student on receipt of your payment. Sponsors must inform UCT in writing if surplus funding is not to be paid out to a student. In most cases, students use funding from additional sources to help them meet expenses incurred in connection with their studies (for example, accommodation and subsistence, books and stationery, transport). Please therefore, ignore credits of this nature when calculating the amount due by you.

4.2 The estimated minimum amount required for board and lodging by students not accommodated in residence is **R 78 700** per year or **R 85 600 for Medical Students** who have a longer academic year. 4.3.1	additional approximate amount required by students who have chosen meal option (2), per year.....	R 5 500

The residence fee for 1st Tier residences excludes the winter vacation between the first and second semesters, but includes the short vacations in the first and second semesters. For 2nd and 3rd Tier, the fee is inclusive of the winter vacation between the first and second semester. The opening date for new students is Saturday, 3 February 2018 and the closing date for student housing is Saturday, 17 November 2018. The same withdrawal rules apply to international students leaving residences as for local students (refer to 13.2 page 124).

Any outstanding fees are due immediately upon cancellation of studies, including Student Housing fees/levies etc. if these have not already been paid.

Dropping or changing of courses, refer to 2.3, page 9.

International Occasional Students and Affiliates

When students withdraw from individual courses, any fee reduction is dependent on the date of withdrawal. International Affiliates who decide to leave early may apply to their host department for a pro-rata refund of fees.

11. UCT ACADEMIC FEES

All students from outside South Africa, including students from SADC countries, should also refer to fees for international students in Section 5 of this handbook, pages 18 - 26.

The University of Cape Town operates on a course-based fee structure inclusive of all “add-ons”. Thus, the dictum that ‘the price you see is the price you pay’ applies to all academic offerings across the University.

The University’s course-based fee structures, together with the relevant Faculty handbook, will enable students to accurately calculate the cost of their academic studies at UCT in 2018.

Since a student’s fees account is based on his/her academic record, it is the student’s responsibility to verify the correctness of his/her academic record.

In order to assist students and fee payers’ budget for their academic studies at UCT for 2018 we have set-out below the cost of fees for a typical qualification by faculty and year of study.

Note: The following typical fees for South African students are only guidelines and will vary with the students’ actual choice of courses.

11.1 Typical 1st Year Tuition Fees

International students must add the relevant Administrative Service Fee / International Term fee to the cost of the typical fee.

12. UCT ACADEMIC COURSES

All students from outside South Africa, including students from SADC countries, should also refer to fees for international students in Section 5 of this handbook, pages 18 - 26.

The University of Cape Town operates on a course-based fee structure inclusive of all “add-ons”. Thus, the dictum that ‘the price you see is the price you pay’ applies to all academic offerings across the University.

Please note that residence, catering and miscellaneous fees such as subscriptions to clubs and societies are itemised and charged separately on the student fee account.

The University’s course-based fee structures, together with the relevant Faculty handbook, will enable students to calculate the cost of their academic studies at UCT in 2018 accurately.

The Faculty handbook will indicate the courses that can be taken in pursuing a qualification and the relevant course code. Use this code to look up **the all inclusive cost of the course** in this booklet. The sum of these costs will give you the **total cost** for the set of chosen courses. **There are no levies.**

Since a student’s fees account is based on his/her academic load, it is the student’s responsibility to verify the correctness of his/her enrolment for courses in the current year.

Faculty handbooks can be obtained from the relevant faculty office and this information is also available on the UCT web site:

<http://www.students.uct.ac.za/students/study/handbooks/current>

Courses added after the publication of this handbook will be listed on the Fees website at <http://www.students.uct.ac.za/students/fees-funding/fees/handbook>
