

LECTURER: ARTIFICIAL INTELLIGENCE

DEPARTMENT OF COMPUTER SCIENCE

FACULTY OF SCIENCE

The Department of Computer Science seeks to fill a contract position for three (3) years at a Lecturer level, specializing in artificial intelligence (AI).

The Department of Computer Science offers undergraduate and postgraduate degrees in Computer Science and we have a large cohort of Honours, MSc and PhD students. The Department hosts the Artificial Intelligence Research Unit and has research specializations in visual computing, high-performance computing, artificial intelligence and ICT for development.

Requirements of the job:

- A PhD degree in Computer Science or a relevant area at the time of appointment, though exceptional candidates with an MSc degree will be considered.
- Research experience in Artificial Intelligence.

Teaching experience will be advantageous. Clear information about the candidate's research and teaching experience should be provided

Responsibilities:

- The successful candidate will be expected to develop and teach Computer Science courses, carry out research, contribute to departmental administration and supervise postgraduate students.

The annual remuneration package for 2023, including benefits, is as follows: **R853 709**

To apply, please e-mail the below documents in a **single pdf file** to Ms Natasha Khan at recruitment06@uct.ac.za

- UCT Application Form (download at <http://forms.uct.ac.za/hr201.doc>)
- Motivational letter
- Curriculum Vitae (CV)
- A teaching statement
- A research statement

Please ensure the title and reference number are indicated in the subject line.

An application that does not comply with the above requirements will be regarded as incomplete.

Only shortlisted candidates will be contacted and may be required to deliver a presentation.

Telephone: 021 650 3469

Website: <http://www.science.uct.ac.za>

Reference number: E230194

Closing date: 30 April 2023

UCT is a designated employer and is committed to the pursuit of excellence, diversity, and redress in achieving its equity targets in accordance with the Employment Equity Plan of the University and its Employment Equity goals and targets. Preference will be given to candidates from the under-represented designated groups. Our Employment Equity Policy is available at www.uct.ac.za/downloads/uct.ac.za/about/policies/eepolicy.pdf

UCT reserves the right not to appoint.
