

LECTURER/SENIOR LECTURER in PROJECT MANAGEMENT

Department of Construction Economics and Management Faculty of Engineering and the Built Environment

The Department of Construction Economics and Management enjoys an international reputation for its activities in the fields of Quantity Surveying, Property Studies, Construction Management, and Project Management. The Department is home to the Urban Real Estate Research Unit and the Sustainability oriented and Cyber research Unit for the Built Environment. The Department is also home to the African Journal of Real Estate Research and the Journal of Construction Business Management. The Department is seeking to appoint a permanent full-time academic at Lecturer or Senior Lecturer level in Project Management. We invite suitably qualified persons to apply for this position.

Requirements for the position

For both levels:

- At least a four-year bachelors degree, or a three-year bachelors degree plus honours degree
- At least 5 years relevant post qualification industrial experience in Project Management
- Demonstrable knowledge and/or experience in at least two of the following areas:
 - Project Management & System Theory
 - Project Management & Implementation
 - Human Resource Management & Implementation

For appointment at Lecturer level:

- A Masters degree in Project Management or demonstrably related field

For appointment at Senior Lecturer level:

- A PhD in Project Management or demonstrably related field
- Previous teaching experience at the tertiary (undergraduate and/or postgraduate) level in Project Management
- A research publication record in accredited international peer-reviewed journals, and/or conferences, and/or chapters in books, and/or books

The successful candidate will be required to:

- Contribute to excellence in undergraduate and postgraduate teaching
- Conduct research, supervise postgraduate students, and publish, and contribute to excellence in research
- Participate in the management and administration of the Department
- Contribute to the Department's social responsiveness by engaging with communities and/or industry through teaching and research
- Complete a PhD (if not already held)
- Reside in the greater Cape Town area

The annual cost of employment, including benefits, is:

- **Lecturer - R853 709**
- **Senior Lecturer – R1, 027 040**

To apply, please e-mail the below documents in a single pdf file (max size 10Mb) to Ms Abigail Dixon at recruitment03@uct.ac.za

- UCT Application Form (download at <http://forms.uct.ac.za/hr201.doc>);
- Curriculum Vitae (CV);
- A 1-2 page statement of interest specifying the relevance of the applicant's experience to the Department; and
- Names and complete contact information for three references.

Please ensure the title and reference number are indicated in the subject line.

An application which does not comply with the above requirements will be regarded as incomplete and might not be considered. Shortlisted candidates will be required to complete assessments which will include delivering an open presentation to the Department.
