

# LECTURER: QUANTITY SURVEYING

## Department of Construction Economics and Management Faculty of Engineering and the Built Environment

The Department of Construction Economics and Management enjoys an international reputation for its activities in the fields of Quantity Surveying, Property Studies, Construction Management, and Project Management. The Department is home to the Urban Real Estate Research Unit (URERU) and the Sustainability oriented Cyber research Unit for the Built Environment (S@CUBE). The Department is also home to the African Journal of Real Estate Research and the Journal of Construction Business Management. The Department is seeking to appoint a permanent full-time academic at Lecturer level in Quantity Surveying. We invite suitably qualified persons to apply for this position.

### Requirements for the position:

- A BSc (Hons) degree in Quantity Surveying.
- A Master's degree in Quantity Surveying or one of the built environment professions/disciplines.
- Must be registered as a "PrQS" (Professional Quantity Surveyor) and be in good standing with the South African Council for the Quantity Surveying Profession.
- 5 years' relevant Quantity Surveying experience in a professional practice after the award of the BSc (Hons) in Quantity Surveying degree.
- Previous teaching experience at the tertiary level in Quantity Surveying at the undergraduate and/or postgraduate level.

### The following will be advantageous:

- A research and publication track record.
- Member or Fellow of the Royal Institution of Chartered Surveyors.

### The successful candidate is expected to:

- Lecture to students and develop course material in Quantity Surveying and related fields, and contribute to excellence in undergraduate and postgraduate teaching.
- Conduct research, supervise postgraduate students, and publish in refereed journals, and contribute to excellence in research at UCT.
- Participate in the management and administration of the Department.
- Contribute to the Department's social responsiveness by engaging with communities and/or industry through teaching and research.
- Complete a PhD (if not already held).
- Reside in the greater Cape Town area.

The annual cost of employment, including benefits, is **R853 709**.

To apply, please e-mail the below documents in a single pdf file (max size 10Mb) to Ms Abigail Dixon at [recruitment03@uct.ac.za](mailto:recruitment03@uct.ac.za)

- UCT Application Form (download at <http://forms.uct.ac.za/hr201.doc>);
- Curriculum Vitae (CV);
- A 1-2 page statement of interest specifying the relevance of the applicant's experience to the Department; and
- Names and complete contact information for three references.

Please ensure the title and reference number are indicated in the subject line.

An application which does not comply with the above requirements will be regarded as incomplete and might not be considered. Shortlisted candidates will be required to complete assessments which will include delivering an open presentation to the Department.
