

## **SENIOR LECTURER/ASSOCIATE PROFESSOR/PROFESSOR: MECHANICAL ENGINEERING DESIGN**

(PERMANENT POST)

**Department of Mechanical Engineering  
Faculty of Engineering & the Built Environment**

The University of Cape Town is in the top rank of Universities in South Africa, and the Department of Mechanical Engineering endeavors to contribute to this reputation. This is achieved through world-class research in niche areas (e.g., structural impact and materials engineering, computational mechanics and fluid dynamics, energy studies, engineering education, among others), as well as through excellent teaching based on sound pedagogical principles. The Department is well established, internationally accredited, and has historically produced some of the country's most competent mechanical engineers.

The Department of Mechanical Engineering seeks to appoint a permanent, full-time academic at the Senior Lecturer or Associate Professor or Professor level to undertake teaching in mechanical engineering design, and to research in the fields of engineering design or mechanical engineering. The successful candidate will be expected to contribute to teaching, administration, research, and social responsiveness activities in the Department. We invite suitably qualified persons to apply for this position.

To view and apply for this position, please visit the UCT Jobs site [View](#) (For Internal Applicants) and [View](#) (For external Applicants) to create a profile and to submit your application.

**Closing date:** 18 February 2024
