

**PROFESSOR/ASSOCIATE PROFESSOR**  
**Division of Immunology**  
**Department of Pathology**  
**FACULTY OF HEALTH SCIENCES**

The Division of Immunology within the Department of Pathology, Faculty of Health Sciences at the University of Cape Town seeks to fill a permanent academic position in immunology at the level of Professor or Associate Professor.

Research activities within the Division focus on diseases that include HIV/AIDS, tuberculosis, COVID-19, African trypanosomiasis, leishmaniasis, schistosomiasis and other helminthic diseases as well as well as non-communicable human diseases that include allergy, intestinal diseases, and tissue repair. The aim of the division is to conduct cutting edge research in basic and translational immunology and to provide excellent educational support to both undergraduate and postgraduate students.

To view and apply for this position, please visit the UCT Jobs site [View](#) (For Internal Applicants) and [View](#) (For external Applicants) to create a profile and to submit your application.
