

JUNIOR RESEARCH FELLOW

(3-year Contract)

CHILDREN'S INSTITUTE

DEPARTMENT OF PAEDIATRICS & CHILD HEALTH

FACULTY OF HEALTH SCIENCES

The Children's Institute (CI) is a multidisciplinary research unit located in the Faculty of Health Sciences at the University of Cape Town. The CI aims to contribute to policies, laws and interventions that promote equality and realise the rights and improve the conditions of all children in South Africa. The Unit promotes interdisciplinary and child-centred research and has developed a successful model of social responsiveness that brings together scholarly rigour, expertise in knowledge translation, and evidence-based advocacy to promote effective policy design and service delivery.

The CI has a demonstrated history of developing and implementing interdisciplinary research interventions across South Africa to promote early childhood development and to address violence against women and children. The CI invites applications for the post of **Junior Research Fellow**, to lead the development of a much-needed evidence base to inform national policy and programmatic shifts related to violence prevention interventions for women and children.
