

LECTURER/SENIOR LECTURER: ANATOMY

(Permanent, full-time)

Division of Clinical Anatomy & Biological Anthropology
Department of Human Biology
Faculty of Health Sciences

The Department of Human Biology, which is a vibrant multidisciplinary department in the Faculty of Health Sciences, is seeking to appoint a Lecturer/Senior Lecturer in Anatomical Sciences to a full time, permanent position within the Division of Clinical Anatomy and Biological Anthropology. The Division is engaged in undergraduate and postgraduate teaching and in clinical anatomy, biological and forensic anthropology, and medical education research. The Department has well-equipped laboratories, hosts several postdoctoral research fellows, and has an enthusiastic and diverse postgraduate student community. The successful candidate will be required to teach human anatomy, conduct research, participate in social responsiveness activities and contribute to leadership and management of the Division and Department.
