

SENIOR DATA ANALYST

(Payclass 12; Permanent)

RESEARCH INTERNATIONALISATION AND VISIBILITY RESEARCH OFFICE

The Research Office at the University of Cape Town (UCT) is seeking to appoint a self-motivated, suitably experienced and qualified candidate to the post of Senior Data Analyst. The incumbent will be responsible for leading and executing research data analysis initiatives, providing valuable insights and actionable recommendations to support informed decision-making impacting the research enterprise at UCT. This specialist role further entails navigating complex data sets, applying advanced analytical techniques, and fostering collaboration with diverse stakeholders to address evolving business needs and challenges within a dynamic environment. This post contributes to driving research internationalisation and bolstering the high impact and visibility of UCT's research.
