**UNDERGRADUATE RETURNING STUDENTS REGISTRATION**

This applies to all students who have already been registered for the LLB at UCT prior to 2022 and who are academically eligible to continue in 2022 or have been granted a concession to return. Registration will not take place on campus as usual. Students will be required to register remotely using the Peoplesoft system, well in advance of the return to campus. A detailed notification will be sent in January of how to register using PeopleSoft. It is therefore important to continue to check your UCT email account.

## Registration dates

The final results for the 2021 academic year will be released on system on **22 December 2021**. Results of supplementary, deferred and summer term exams in January will be released on **28 January 2021**. All students must register in the appropriate period indicated below. **All returners must have registered by the end of 11 February**. Students who register late may face a late registration penalty of R2000.

For international students, clearance (i.e. visa, medical aid and fee checks) will also be done remotely.

## Students with outstanding fees

You will NOT be allowed to register until your fee account has been settled. Please note that South African students can register before making the initial payment. All international students must make payment before registration. For further fee related information, refer to [Fees | UCT Students](#)

Lectures start on Monday 14 February 2022

2022 Research Intake	A one-week series of seminars on Microsoft Teams	24-28 January 2022

### Registration for 2022

You are advised that registration will take place online (using the PeopleSoft system) for all students.

The international clearance (i.e., visa, medical aid and fee checks) will also be done remotely. Students are thus not required to be on campus to register but will register remotely well before they return to campus. Please do not delay this process; ensure that it is completed prior to your registration date. For more information visit the IAPO Student Support Website: <http://www.iapo.uct.ac.za/before-you-arrive>

Registration of returning students opens on 17 January 2022 and will run for each programme for a set period only. All students are required to register in the allocated window for their programme. Do not wait until you return to Cape Town before you register

**It is important that you register in the window allocated for your programme.** All returning students are required to renew their registration at the beginning of each academic year. Candidates who register late will be levied with a late payment penalty of R2 000. You are therefore encouraged to register by the dates as outlined in the schedule below. The Schedule will be updated to provide detail on the availability of student advisors.
