Graduate Research Management – Student Library Upload via PeopleSoft

Date of last update: 18 October 2018

Note All documents that need to be uploaded must be uploaded as part of one Service Request. Only PDF files can be uploaded, if other files must be uploaded contact your Faculty office (Masters Students) or the DDB (Doctoral Students). Thesis/Dissertation and Abstract documents must be named according to a standard convention. You must create a new Service Request if the original has been rejected.

Naming convention for Thesis/Dissertation file:

Thesis - upload your thesis/dissertation document in a single PDF file format.

Naming convention for Abstract files:

Abstract-Open - this must be attached to all Examination Service Requests. It can be sent to examiners prior to obtaining a confidentiality agreement (if one is necessary). All students must upload this type of abstract.

Abstract-Restricted - This must be attached to any Examination Service Requests where the abstract contains confidential information. It must not be sent to Examiners until they have entered into a confidentiality agreement.

Note All file naming conventions are case sensitive
