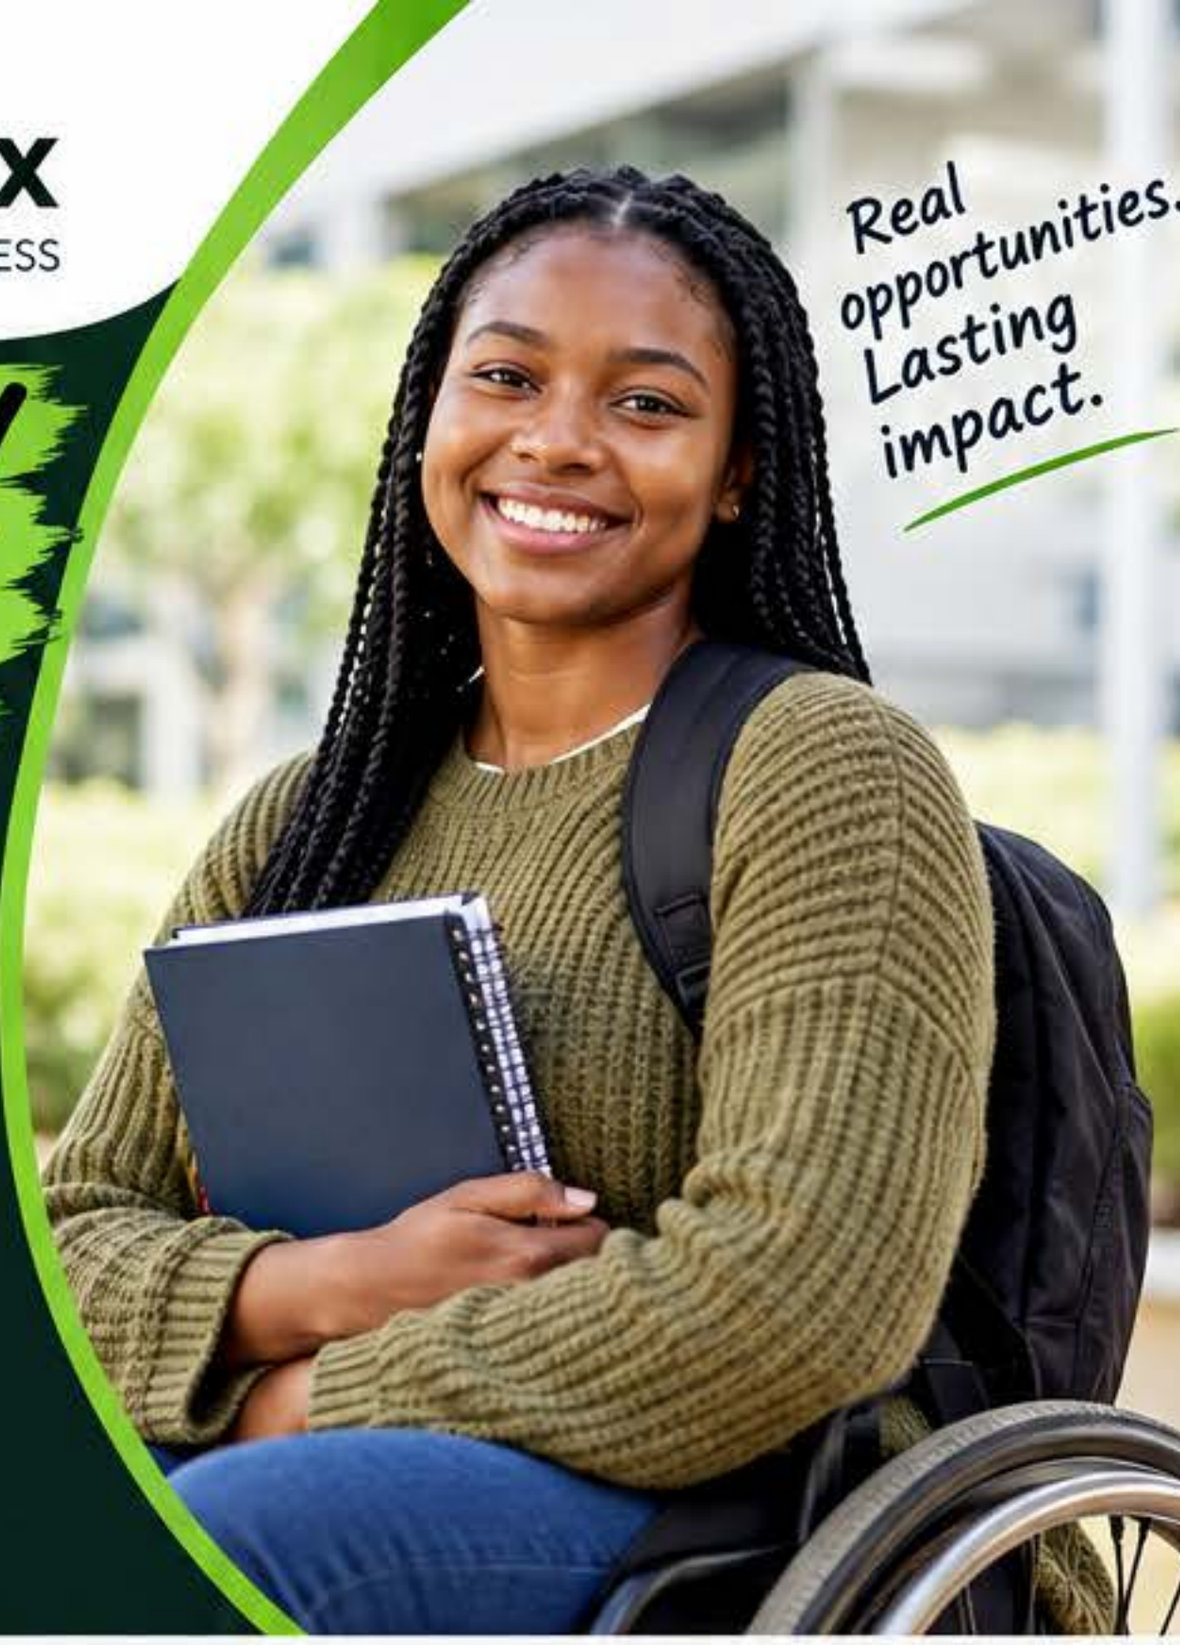
2027 BURSARY OPPORTUNITY

FOR PEOPLE WITH A DISABILITY



Are you a student with a disability who is ready to invest in your future?

Bradshaw LeRoux Consulting invites eligible students to apply for a **2027 bursary opportunity** to further their degree studies and develop their career potential.

Open to persons with a disability

ELIGIBILITY REQUIREMENTS

Applicants must:

- ✓ Have a disability and provide a doctor's letter as proof, which will be validated.
- ✓ Be registered for a degree qualification or have proof of acceptance to study towards a degree in 2027.
- ✓ Have completed Matric or be currently writing Matric and able to pursue degree studies, subject to provisional acceptance.
- ✓ Be studying in any year of their degree, with bursary selections aiming to maintain a balanced representation across different years of study.

ELIGIBLE FIELDS OF STUDY

We welcome applications from students pursuing degrees in the following fields:

- ✓ Science, Technology and Engineering (particularly software)
- ✓ Mathematics and Statistics
- ✓ Supply Chain Management
- ✓ Information Technology (IT) and Artificial Intelligence (AI)
- ✓ BCom degrees, excluding Finance and Accounting
- ✓ Entrepreneurship
- ✓ Multimedia and Marketing
- ✓ Law (LLB students must be in their second year of study)
- ✓ Psychology and selected HR-related qualifications, with a preference for Psychology
- ✓ Compliance, Fraud and related technical fields.

DOCUMENTS REQUIRED TO APPLY

Please submit the following documents:

- ✓ CV clearly indicating your study plans, including the name of your tertiary institution, chosen degree and field of study, and the year you expect to complete your qualification.
- ✓ Doctor's letter as proof of disability (this will be validated).
- ✓ 2025/2026 tertiary academic results, if applicable, or your Matric certificate. Applicants currently writing Matric should indicate this in their application.
- ✓ Proof of registration or proof of acceptance to study towards a degree in 2027. Provisional acceptance may be considered for applicants currently completing Matric.

IMPORTANT INFORMATION

- ✓ The bursary covers the 2027 academic year only.
- ✓ Successful bursars will also participate in the Potentia Career Readiness Programme, which supports personal and professional development.
- ✓ Applicants must have access to a laptop and internet to participate in the online Potentia programme.
- ✓ Bursary support is subject to the programme's funding arrangements and will be discussed with shortlisted applicants.
