MANATI

ALTERNATE STUDENT FUNDING

ABOUT US

Manati is a student funding organisation that provides funding solutions for the vast majority of prospective university and college students that wish to study at higher education institutions but are unable to do so because they cannot afford it or cannot secure financing.

In partnership with the Educational Institution, each application is individually assessed based on the applicant's ability to afford the monthly repayments.

WHY APPLY WITH MANATI?

Lenient Qualifying Criteria
Manati has a more lenient credit and affordability criterion compared to other funding providers.

Joint Household Income
If you have a spouse, partner or family member that is employed, you can apply together as a household.

Include Arrears
Manati allows you to combine your current outstanding balance with your new course fee to create one loan which could be more affordable to you and allow you to continue your studies.

Online Application Process
The entire application process is online and can be done from any device with an internet connection. You will never have to take time-off from work to visit a branch or stand in long queues.
