

Erratum in the Humanities Undergraduate Handbook 2023:

Page 61 -115: Core courses in each stream of the Music programmes should be indicated in bold, and students are required to pass these courses in order to meet the minimum requirements for re-admission. There is an error in the 2023 handbook in that the formatting of the bolding was lost in some places when the handbook was published. The corrected entry should appear as follows:

DIPLOMA IN MUSIC PERFORMANCE - REGULAR PROGRAMME OF STUDY [HU021]

Programme Convener: Director: SACM

Students registered for the Diploma in Music Performance (DMP) may choose one of the following areas of subject specialisation (stream):

African Music

Jazz Studies

Opera

Classical

World Music

These streams are similar to the practical streams of the BMus, but exclude some of the academic subjects prescribed for the BMus and are of three years' duration only. They are designed to prepare students for careers in each of the various areas. Prior to being admitted to the Diploma students must audition to satisfy the programme convener that their proficiency on their chosen instrument is of the standard required eventually to cope with the demands normally placed upon performing musicians.

Curriculum leading to the Diploma in Music Performance - regular programme of study [HU021]

The required curriculum for each stream in every year of study is set out below.

Stream 1: Classical
