Last updated: 09.12.2022

**NOTE:** The turnaround time for processing pre-registration requests is 3-to-5 working days once we receive all the required documents.

#### DOCUMENT REQUIREMENTS for immigration and fee clearance.

##### Immigration documents

###### If you are travelling to South Africa and completing your studies/research in-person:

- Passport bio page
- Relevant visa endorsed for UCT (i.e. study visa, endorsed for study at UCT or visitors' visa endorsed for research)
- Medical aid cover from a South African medical aid scheme, valid for the full duration of the visa and study programme, renewed annually (specifically for holders of study visas who reside in South Africa)

###### If you are completing your studies/research remotely, from outside of South Africa:

- Passport bio page
- Letter from your UCT enrolling faculty office or academic supervisor confirming that you will be completing your studies and/or research from outside of South Africa for this academic year OR
- Letter from your UCT enrolling faculty office or academic supervisor confirming that you will be registering remotely and intend on travelling to South Africa at a later date.
- You can submit the completed and signed IAPO remote pre-registration application form in place of the letters from your UCT enrolling faculty. The form is available: [https://uct.ac.za/sites/default/files/content\\_migration/international\\_uct\\_ac\\_za/63/files/IAPO\\_remote\\_preregistration\\_application\\_2022.pdf](https://uct.ac.za/sites/default/files/content_migration/international_uct_ac_za/63/files/IAPO_remote_preregistration_application_2022.pdf)
- **You will be required to upload these documents in a single PDF attachment.**

#### NOTE:

**All immigration documents to be certified by a Commissioner of Oaths or a Notary.** The certification stamp must include: the name of the Commissioner of Oaths, their designation and signature, the date, and wording along the lines of 'the following documentation is a true and accurate reflection of the original'. The certification stamp cannot be more than six months old at the time that the documents are submitted for pre-registration.

For those who hold **Refugee, Asylum Seeker, Permanent Residence status or citizenship for South Africa**, we will accept certified copies of these documents only; no passport bio page and proof of medical aid is required however, if it is submitted the information will be captured.

##### Proof of payment documents accepted

Initial fees must be paid prior to your course registration dates communicated by your enrolling UCT faculty office. More information on the required initial fee payments and deadline dates, see:

<http://www.international.uct.ac.za/pre-registration-faqs>

If you are charged UCT tuition fees or receive UCT funding for studies/ postdoctoral research, submit the following documents to obtain fees clearance before you enroll in your programme:

- We strongly recommend payment via credit card (<https://payonline.uct.ac.za/>) In comparison to the EFT into the bank account, the credit card payment will reflect immediately on your student fee account.
- If you choose to pay via EFT into the University of Cape Town's bank account, we will require a bank receipt confirming tuition fees deposited into the bank account. The payment must be reflected in the bank account before you can be pre-registered. Payments made from international bank accounts must be made at least 14-days in advance to allow sufficient time for the funds to be cleared.
- Scholarship/ Bursary award letter

- Proof of UCT administered scholarship/bursary (award letter must be endorsed by the Postgraduate Funding Office)
- Proof of postdoctoral research fellowship (award letter must be endorsed by the Postgraduate Funding Office)
